Message to Shareholders

The Group continues to gain ground for our Healthcare segment, strengthening and deepening our capabilities to build up our offerings and diversify the areas of growth for this segment.

DEAR SHAREHOLDERS,

For the financial year ended 31 December 2023 ("FY2023"), the Group made inroads in its strategic foray for its Healthcare business, achieving progress and developments on various ends. This sets the pace for continuous improvements on our performance and industry standing for long-term growth and value.

THE YEAR IN REVIEW

2023 was yet another eventful and challenging year with both headwinds and tailwinds impacting on the macroeconomic environment—from countries adapting to endemic living with COVID-19, subdued economic activity amidst ongoing geopolitical tensions in Europe and Middle East and high interest rate climate to battle rising costs and global market volatilities.

Amidst these challenges and the suspension of postpartum care services pending identification of suitable new locations, the Group continues to progress cautiously in the Healthcare segment. For the year in review, the Group made a strategic decision to focus its Outsource Services business solely on recruitment services in Singapore that has the potential for continued growth.

Our focus in our Healthcare segment continues to be in preventive healthcare for personal wellbeing of individuals. We seek to enable and enrich the lives of every individual, regardless of age or gender, to allow them a high-quality healthy lifestyle.

HEALTHCARE

The Group continues to gain ground for our Healthcare segment, strengthening and deepening our capabilities to build up our offerings and diversify the areas of growth for this segment.

Chiropractic & Physiotherapy

Our 'Back To Life' ("BTL") brand of chiropractic and physiotherapy services at Jaya One, Petaling Jaya remains as a growth pillar for the Group.

Chiropractic and physiotherapy services have been heavily sought after in Malaysia and demand is expected to continue to grow for the foreseeable years ahead. With the prevalent information and increasing awareness of the benefits of non-invasive and drug-free treatments for musculoskeletal issues, the rising trend of an active and sporting lifestyle amongst the young and old has significantly contributed to the high demand for such services. The increasing number of new and standalone centres that have opened in major population catchment areas to meet such market demand is evidence of this trend.

Message

to Shareholders

Although the planned opening of additional outlets has been postponed until the Group raises further funds, we continue to keep a lookout for potential locations to expand this business when an opportune time arises. We aim to become a leader in the chiropractic and physiotherapy industry as we continue our focus on expansion and providing exceptional care.

Cell-therapy products

The Group has made a series of headways in this business segment, with encouraging sales and marketing results that has contributed to increases in the Group's revenue.

We recently commenced collaborations with Malaysian government hospitals on the application of our Exo+ Serum for treatment of chronic and diabetic wounds.

Exosomes are powerful elements that can restore cells throughout the human body. They enhance cell-to-cell communication, which is essential for overall cell health to stimulate healing. Exosome therapy is a highly targeted, flexible treatment for conditions like osteoarthritis, musculoskeletal injuries, chronic wound management, and skin regeneration. By using Exosomes as a therapeutic tool, we can deliver important signals to cells that can promote healing and tissue regeneration.

The Group continues to look for partners in both Singapore and Malaysia for the sales and marketing of these products. At the moment, our registered products include exosome concentrated Exxo Labs in Singapore and Exo+ Serum in Malaysia.

OUTLOOK

Opportunities in the Healthcare industry remain buoyant, which augurs well with the long-term potential and capabilities of the Group's Healthcare segment. Looking forward, we will continue to focus on unlocking new avenues of growth while improving on our operational efficiency and performance.

Looking ahead, the Group will continue to focus on the wellness aspects of preventive healthcare, namely, chiropractic & physiotherapy services as well as marketing and distribution of cell therapy products. Leveraging on the heightened public awareness and regard for personal wellness and wellbeing, we are of the view that the future prospects of the Healthcare segment would be positive. We shall be keeping a lookout for more opportunities within this sector.

The Group continues to be on the lookout for opportunities to build the Group's capabilities and offerings in diversified areas, such as in the trading of agricultural commodities and related products. Further details are set out in the announcement and the circular to shareholders dated 15 April 2024.

CONCLUSION

With the strategic initiatives and efforts the Group has put in thus far, we embrace new hope in forging and steering our way towards our goals.

On behalf of the Board, I would like to thank our management and staff for their hard work, dedication and efforts in contributing to the Group. To my fellow Board members, I extend my appreciation for your counsel and guidance throughout FY2023.

My sincere thanks to Dato' Low Koon Poh, former Executive Chairman and Chief Executive Officer, for his invaluable insight and contribution during his tenure with the Group. Similarly, I give my thanks to Ms Carmen Ng and Mr Tan Sri Ahmad Bin Mohd Don for their invaluable contributions to the Group. We wish them all the best in their future endeavours. Mr Harry Ng and Mr Kesavan Nair, whose tenures as Independent Director of the Company have exceeded 9 years will retire from the Board and Board Committees at the conclusion of the upcoming AGM. The Board and management would like to express our sincere gratitude for their years of service, insightful guidance, and counsel. Taking this opportunity, I wish to extend a warm welcome to Mr Zhang Zhi and Mr. Chew Wai Meng, whom had recently joined our Board. Last but not least, esteemed shareholders and fellow stakeholders, thank you for your understanding and support rendered to us. I look forward to building upon the foundations of the Group and going further to realise our vision of providing high quality healthcare services within Asia.

HERRY PUDJIANTO

Executive Chairman and Chief Executive Officer

REVENUE AND SALES ANALYSIS

Revenue for financial year ended 31 December 2023 ("FY2023") was RM1.9 million, a 19.1% decrease from revenue for the financial year ended 31 December 2022 ("FY2022") of RM2.4 million, due mainly to a 42.2% decline in revenue from back office support services ("Outsourced Services") arising from the withholding of human resource and payroll services to client accounts until outstanding payments are settled. This was however partially offset by an increase in revenue from Healthcare Services in FY2023 by 39.2% from FY2022 due mainly to encouraging initial sales of cell-therapy related products and notwithstanding the suspension of postpartum care services in the fourth quarter of FY2023.

REVENUE BY GEOGRAPHICAL LOCATIONS OF OUR CUSTOMERS

The Group sells to customers in the following geographical locations:-

FROM CONTINUING OPERATIONS	FY2023 RM'000	FY2023 %	FY2022 RM'000	FY2022 %
Malaysia	957	49.3	998	41.6
Singapore	986	50.7	1,403	58.4
Total from continuing operations	1,943	100.0	2,401	100.0

OPERATING MARGIN

For FY2023, the Group reported a gross profit and gross profit margin of RM154 thousand and 7.9% respectively as compared to a gross profit and gross profit margin of RM93 thousand and 3.8% respectively in FY2022. This was mainly due to improved gross margin from Outsource Services business.

OTHER OPERATING INCOME

The Group's other operating income for FY2023 of RM0.3 million came mainly from rental income for an office sub-lease in Singapore. In comparison, other operating income of RM2.0 million for FY2022 comprised mainly of (i) RM1.3 million gain from the termination of commercial lease space at the Mines Wellness City, Klang Valley, Malaysia ("Mines 2 Confinement Centre"); (ii) RM0.6 million fair value gain on convertible loans and gain from extinguishment of convertible loans; and (iii) RM0.1 million of government subsidies for restrictions on business activities from the Covid-19 pandemic.

ADMINISTRATIVE EXPENSES

Administrative expenses for FY2023 increased by 17.9% to RM6.4 million from RM5.4 million for FY2022 due mainly to (i) a one-time RM1.3 million legal, corporate and fund raising costs related to the convertible bond and share consolidation exercises that was announced in March 2023; and (ii) RM0.1 million increase in foreign exchange losses. This increase in administrative expenses was partially offset by (i) RM0.3 million decrease in manpower costs from a natural attrition of headcount; and (ii) RM0.1 million reduction in depreciation of right-of-use ("**ROU**") assets due to the termination of an office space in Singapore. Depreciation of property plant and equipment ("**PPE**") for FY2023 increased by 60.4% to RM85 thousand from RM53 thousand in FY2022 due to the acquisition of computer software and office equipment and fittings.

Operations and Financial Review

OTHER OPERATING EXPENSES

Other operating expenses of RMO.4 million for FY2023 are mainly due to (i) RMO.2 million impairment on intangible assets related a DNA profiling e-Commerce platform and (ii) RMO.2 million loss from the fair valuing of convertible loan notes. In comparison, other operating expenses of RMO.2 million for FY2022 are mainly due to (i) RMO.1 million impairment of PPE and ROU assets; and (ii) RMO.1 million write-off of prepaid professional and application fees in relation to the termination of commercial space lease planned for the Mines2 Confinement Centre.

ALLOWANCE FOR EXPECTED CREDIT LOSSES ("ECL") ON TRADE RECEIVABLES

Allowance for ECL on trade receivables for FY2023 of RM0.2 million (FY2022: RM0.4 million) is in relation to human resource and payroll service, for which this service has since been suspended during FY2023.

FINANCE COSTS

Finance costs for FY2023 increased by 72.9% to RM0.7 million from RM0.4 million for FY2022 due mainly to accrued interest payable on convertible loan notes, short and medium term loans with an aggregate principal of RM1.7 million that were entered into during FY2023 and partially offset by the settlement of convertible and short term loans with an aggregate principal of RM1.6 million during FY2023.

LOSS BEFORE TAXATION

For reasons set out above, the Group reported a 66.0% increase in loss before taxation of RM7.2 million for FY2023 compared to a loss before taxation of RM4.3 million for FY2022.

REVIEW OF STATEMENT OF FINANCIAL POSITION

Current Assets

The Group's trade receivables decreased to RM0.2 million as at 31 December 2023 from RM0.6 million as at 31 December 2022 due mainly to RM0.2 million settlement of trade receivables from Outsourced Services and RM0.2 million impairment of receivables from human resource and payroll service clients. The Group's current portion of other receivables and prepayments remained relatively consistent at RM0.2 million as at 31 December 2023 and 31 December 2022. Inventories decreased to RM6 thousand as at 31 December 2023 from RM37 thousand as at 31 December 2022 due mainly to increased sales from Healthcare business segment in FY2023 and a RM11 thousand impairment of postpartum care inventory no longer in use.

Non-Current Assets

PPE remained consistent at RMO.2 million as at 31 December 2023 from RMO.2 million as at 31 December 2022 due mainly to depreciation charges of RM85 thousand and RM13 thousand PPE written-off due to the suspension of operations at the SS2 Petaling Jaya postpartum centre; and these are partially offset by the RM25 thousand acquisition of software, office equipment and fittings. ROU assets reduced to RMO.1 million as at 31 December 2023 from RMO.3 million as at 31 December 2022 due mainly to RMO.3 million depreciation charges for office space leases in Singapore and Malaysia and partially offset by a RM19 thousand write-back of previously impaired ROU assets. Intangible assets as at 31 December 2023 is nil compared to RMO.2 million as at 31 December 2022 due to a RMO.2 million impairment on the e-Commerce platform designed for the sales of DNA profiling product 'Qodify' that arose from the Group's decision to suspend the development of Qodify until the Group's financial position improves.

Capital and Reserves

Share capital of the Company and the Group increased by RM4.4 million to RM132.1 million as at 31 December 2023 from RM127.7 million as at 31 December 2022 due to the conversion of S\$1.3 million of Convertible Bonds into new ordinary shares in the Company. Capital reserves increased by RM2.4 million as at 31 December 2023 due to the classification of S\$0.7 million in principal value of Convertible Bonds as equity instruments. The Group's currency translation reserve as at 31 December 2023 was a deficit of RM132 thousand compared to a deficit of RM23 thousand as at 31 December 2022 due to the strengthening of the Singapore dollar against the Malaysia Ringgit during the period in review.

Accumulated losses for the Group increased by RM7.2 million to RM147.5 million as at 31 December 2023 from RM140.3 million as at 31 December 2022 due to the loss recorded for FY2023

Non-Current Liabilities and Current Liabilities

Trade payables remained consistent at RM9 thousand as at 31 December 2023 compared to RM11 thousand as at 31 December 2022.

Other payables for the Group as at 31 December 2023 decreased by RM1.1 million to RM6.1 million from RM7.2 million as at 31 December 2022 due mainly to settlement of RM1.6 million in payables and partially offset by RM0.2 million in currency translation for Singapore Dollar denominated payables that resulted from an appreciation of the Singapore Dollar against the Malaysia Ringgit as well as the interest payable to convertible loan holders amounting to RM0.3 million accrued during FY2023.

Operations and Financial Review

Current and non-current borrowings increased by RM0.6 million to RM3.7 million as at 31 December 2023 from RM3.1 million as at 31 December 2022 due to (i) raising of RM1.7 million in convertible loan notes, convertible bonds, short and medium term loans; (ii) interest accruals of RM0.3 million; (iii) RM0.2 million increase in the fair value of convertible loan notes; and (iv) currency translation of RM0.2 million; which were partially offset by the settlement of RM1.8 million in convertible loans, short-term loans and accrued interest.

Contract liabilities reduced to RM35 thousand as at 31 December 2023 from RM99 thousand as at 31 December 2022 due mainly to fulfilment of contractual obligations related to manpower recruitment services. Current and noncurrent lease liabilities as at 31 December 2023 decreased by RM0.3 million to RM0.1 million from RM0.4 million as at 31 December 2022 due mainly to net lease payments of RM0.3 million.

The Group has a negative working capital of RM8.3 million as at 31 December 2023, compared to a negative working capital of RM7.0 million as at 31 December 2022. The increase in negative working capital was mainly due to an increase in borrowings during FY2023. The Group has a net liability of RM9.2 million as at 31 December 2023 compared to a net liability position of RM8.7 million as at 31 December 2023 due mainly to losses of RM7.2 million for FY2023.

Barring any unforeseen circumstances and any adverse impact from a global economic slowdown, the Group should be able to meet its working capital commitments for the next 12 months in view of:

- i. the Cash Flow Forecast prepared by Management, including estimated earnings from the Healthcare Sector and the Outsourced Services Sector;
- raising of S\$1.3 million (approximately RM4.5 million) through a shareholder loan from Lingholm Holdings Pte. Ltd. ("LHPL") that was announced on 27 February 2024;
- potential additional corporate fund-raising including shareholder financing support;
- iv. convertible loans raised in October 2022 and February 2023, totalling an aggregate principal sum of RM2.5 million where the Company has the discretion to either (a) repay the principal amount of the Convertible loans or (b) to convert the Convertible loans into new ordinary shares in the Company;
- letter of undertaking on amounts owing to a shareholder totaling approximately RM2.1 million to not demand repayment until the Group's resources permit; and
- vi. the undertaking from LHPL to provide continuing financial support to enable to Group to meet their liabilities as and when they fall due.

CASH FLOW

For FY2023, the Group used RM6.8 million in operating activities, mainly due to (i) RM5.6 million in operating loss before working capital changes; (ii) RM1.4 million decrease in trade and other payables and (iii) RM0.1 million reduction in contractual liabilities; which were partially offset by RM0.2 million decrease in trade and other receivables. Net cash used in investing activities of RM25 thousand for FY2023 was for the acquisition of PPE related to office software and equipment. Net cash generated from financing activities of RM6.4 million for FY2023 was mainly from the net proceeds of (i) RM7.0 million in convertible bonds; (ii) RM1.4 million in short and medium term loans; and (iii) RM0.3 million repayment of convertible and short term loans with accumulated interest and (ii) RM0.3 million repayment of lease liabilities.

As a result of the above, the cash and cash equivalents was RMO.1 million as at 31 December 2023, compared to RMO.5 million as at 31 December 2022.

DEVELOPMENTS SUBSEQUENT TO THE RELEASE OF THE COMPANY'S FULL YEAR UNAUDITED FINANCIAL STATEMENTS FOR FY2023 ON 26 FEBRUARY 2024, WHICH WOULD MATERIALLY AFFECT THE GROUP'S OPERATING AND FINANCIAL PERFORMANCE

On 27 February 2024, the Company entered into a loan agreement with LHPL, pursuant to which LHPL had agreed to provide the Company a non-interest bearing loan of S\$1.3 million for working capital purposes and the discharge of existing payables and financial obligations. Further details are available in the Company's announcement dated 27 February 2024.

On 19 February 2024 and 14 March 2024, the Company allotted and issued 20 million and 15 million new shares in the capital of the Company at \$\$0.02 per share following the conversion of Convertible Bonds totalling \$\$700,000. Further details are available in the Company's announcement dated 20 February 2024 and 18 March 2024.

Corporate Governance

The board of directors (the "Board" or "Directors") of Medi Lifestyle Limited (the "Company", and together with its subsidiaries, the "Group") is committed to maintaining a high standard of corporate governance to safeguard the interests of shareholders and to enhance corporate value and accountability. The Board confirms that, for the financial year ended 31 December 2023 ("FY2023"), the Company has generally adhered to the principles and provisions set out in the Code of Corporate Governance 2018, which was issued by the Monetary Authority of Singapore on 6 August 2018 and last amended on 11 January 2023 (the "2018 Code"). Where there are deviations from the provisions of the 2018 Code, appropriate explanations are provided in this Report. The Company will continue to enhance its corporate governance practices appropriate to the conduct and growth of its business and to review such practices from time to time to ensure compliance with the Listing Manual Section B: Rules of Catalist (the "Catalist Rules") of the Singapore Exchange Securities Trading Limited (the "SGX-ST").

BOARD MATTERS

THE BOARD'S CONDUCT OF AFFAIRS

Principle 1 – The company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

The Board is entrusted with the responsibility for the overall management of the Group with the primary function of protecting the interests of shareholders and to enhance long-term shareholders' value. Besides carrying out its statutory duties and responsibilities, the Board reviews and advises on overall strategic plans and key operational initiatives, reviews the performance of the management of the Company (the "Management") and assumes responsibility for overall corporate governance of the Group to ensure that the Group's strategies are in the best interests of the Group and its shareholders.

The principal functions of the Board are:

- (a) provide entrepreneurial leadership, and set strategic objectives, which should include appropriate focus on value creation, innovation and sustainability;
- (b) ensure that the necessary resources are in place for the company to meet its strategic objectives;
- (c) establish and maintain a sound risk management framework to effectively monitor and manage risks, and to achieve an appropriate balance between risks and company performance;
- (d) constructively challenge Management and review its performance;
- (e) instill an ethical corporate culture and ensure that the company's values, standards, policies and practices are consistent with the culture; and
- (f) ensure transparency and accountability to key stakeholder groups.

All Directors exercise due diligence and independent judgment and are obliged to act in good faith and in the best interest of the Company to enhance the long-term value of the Group to its shareholders. The Board adopted a set of ethical values and standards which establishes the fundamental principles of professional and ethical conduct expected of the Directors in the performance of their duties.

Conflicts of Interests

To address and manage possible conflicts of interest that may arise between Directors' interest and those of the Group, the Company has put in place appropriate procedures which apply in addition to the Directors' obligation to comply with disclosure obligations under the Company's Constitution and Companies Act 1967 of Singapore ("Companies Act"). Each Director is required to promptly disclose any conflicts or potential conflicts of interest, whether direct or indirect, in relation to any transaction or matter discussed and contemplated by the Group. The disclosure is made either during a Directors' meeting or by way of a written notification to the Company Secretary containing details of the interest and the nature of the conflict. Where a potential conflict of interest arises, the Director concerned will recuse himself/herself from participating in any discussions, abstains from voting on the matter and refrains from exercising any influence over other members of the Board.

Orientation, Briefings, Updates and Training for Directors

Newly appointed Directors would receive a formal letter from the Company, setting out the Director's duties, responsibilities and obligations as a Director of the Company including pertinent obligations under the Companies Act, the Securities and Future Act 2001, Catalist Rules and 2018 Code. Directors are also given an orientation (including site visits to the Group's principal place of operations) on the Group's business, operations, governance practices and regulatory requirements to facilitate the effective discharge of his duties. In accordance with Rule 406(3)(a) of the Catalist Rules, the Nominating Committee ("NC") will ensure that any newly appointed director to the Board who has no prior experience as a director of an issuer listed on the SGX-ST, must undergo mandatory training in his/her roles and responsibilities conducted by an approved training provider specified in Practice Note 4D of the Catalist Rules in order to acquire the relevant knowledge of what is expected of a listed company director, which is a mandatory requirement as prescribed by the SGX-ST.

For the FY2023 and up to the date of this Report, the Company had appointed 4 new Directors, namely:

- (i) Dato' Alvin Joseph Nesakumar ("Dato Alvin") as Executive Director and Chief Commercial Officer ("CCO") on 1 July 2023;
- (ii) Mr Herry Pudjianto ("**Mr Herry**") as Executive Chairman and Chief Executive Officer ("**CEO**") of the Company on 27 February 2024;
- (iii) Mr Chew Wai Meng ("Mr Chew") as Independent Non-Executive Director on 27 February 2024; and
- (iv) Mr Zhang Zhi ("Mr Zhang") as Non-Independent Non-Executive Deputy Chairman on 1 April 2024.

All of them have received the letter of appointment setting out the Directors' duties and obligations. Dato' Alvin, Mr. Herry, Mr Chew and Mr Zhang will attend the requisite courses within 1 year from their respective date of appointment.

To ensure Directors can fulfill their obligations and continuously improve the performance of the Board, all Directors are encouraged to undergo continual professional development, at the Company's expense, during the term of their appointment. Professional development may relate to a particular subject area, committee membership, or key developments in the Company's environment, market or operations which may be provided by accredited training providers such as the SID.

During FY2023, the Audit Committee ("AC") and the Board were briefed on recent changes on the Singapore financial reporting standards and SGX regulatory updates. The Chief Executive Officer ("CEO") and Executive Director updates the Board at each meeting on the strategic and business development of the Group and any changes to commercial risks. Updates on relevant legal, regulatory and technical developments may be in writing or disseminated by way of briefings, presentations and/or handouts on a timely basis. Where necessary, the Company arranges presentations by external professionals, consultants and advisers on topics that would have an impact on the relevant regulations, accounting standards and the implications on the responsibilities of the Directors. The AC and Directors can also request for further explanations, briefings or information on any aspects of the Company's operations and business issues from the Management.

Matters reserved for Board Approval

The Company has in place a limitation and authorisation policy. The policy contains materiality threshold(s) and a schedule of matters specifically reserved for the Board's approval. Below the Board's level, there are appropriate delegations of authority involving the Group's Key Management Personnel ("KMPs").

The following matters, amongst others, have been reserved for the Board's decision:

- a) setting the Group's long-term objectives and commercial strategy including ventures into new businesses and geographical markets;
- b) approving and monitoring material corporate transactions including major investments, divestments, mergers and acquisitions;
- c) approving and monitoring interested person transactions;

Corporate Governance

- d) approving authority matrix, standard operating procedures, policies and procedures;
- e) approving capital expenditures exceeding certain material limits;
- f) approving annual forecasts, budgets and cash flow projections;
- g) reviewing and approving the financial results and statements of the Group, including, *inter alia*, any material impairments, write-offs and restatements;
- h) appointment of internal and external auditors as well as the Company Secretary;
- i) financial results of the Group, internal audit and external audit matters reports;
- j) reviewing the business practices and risk management of the Group;
- k) reviewing and approving changes in capital structure;
- l) recommendation or declaration of dividends;
- m) reviewing and approving remuneration packages for Executive Directors and KMPs and reviewing of their performance; and
- n) any matter required to be considered or approved by the Board as a matter of law or regulation.

Board Committees

To facilitate effective management and to support the Board in carrying out its duties, certain functions of the Board have been delegated to the AC, NC and the Remuneration Committee ("RC") (collectively referred to as the "Board Committees"). The Board Committees function within clearly defined terms of references and operating procedures, which are reviewed on a regular basis to ensure continued relevance. The terms of reference also set out the conduct of meetings including quorum and voting requirements. Any changes to the terms of reference for any Board Committee require the Board's approval. The appointment of Board Committee members requires the approval of the Board to ensure that the Board Committees comprise Directors with the appropriate qualifications and skills, to maximise the effectiveness of the Board.

The effectiveness of each Board Committee is also regularly reviewed by the Board. The Board accepts that while these Board Committees have the authority to examine particular issues and will report back to the Board with their decisions and/or recommendations, the ultimate responsibility for all matters lies with the Board. The composition of the Board Committees and terms of reference of the respective Board Committees are set out under the respective Principles of this Report.

Board and Board Committee Meetings and Attendance

The Board has scheduled to meet at least four (4) times a year and to coincide such meetings with the review and approval of the Group's results announcements every quarter. Dates of Board, Board Committee meetings, annual general meeting ("AGM") and where applicable, extraordinary general meetings ("EGM") are scheduled in advance in consultation with all Directors. The Board also meets as and when necessary to address any specific significant matters that may arise. To ensure Board and Board Committee meetings are held regularly with maximum Directors' participation, the Company's Constitution allows for telephone and videoconferencing meetings. The Board and Board Committees also approve transactions by way of written resolutions, which are circulated to the Board and Board Committee members together with all relevant information regarding the proposed resolutions/ transactions.

NA: Not Applicable

All Directors are required to declare their board appointments. When a director has multiple board representations, the NC will consider whether the director is able to adequately carry out his/her duties as a director of the Company, taking into consideration the director's number of listed company board representations and other principal commitments. The NC has reviewed and is satisfied that notwithstanding multiple board appointments, the Directors have been able to devote sufficient time and attention to the affairs of the Company to adequately discharge their duties as Director of the Company. Please refer to Principle 4 below for further disclosure in relation to multiple board representations.

Corporate Governance

Complete, adequate and timely information

In addition, the Director is also given access to the Board resources, including the Company's constitutional and governing documents, terms of reference of the Board Committees, the Group's policy, Annual Reports, Board meeting papers and other pertinent information for his/her reference. Management ensures that all Directors are furnished on an on-going basis with relevant, complete, adequate and timely information concerning the Company, to enable them to make informed decisions and discharge their duties and responsibilities. Prior to each Board meeting, board papers and files are circulated for each meeting and the Board is provided with relevant background or explanatory information relating to the business of the meeting and information on major operational, financial and corporate issues. This is to give the Directors sufficient time to review and consider the matters being tabled and/or discussed. Any other matters may also be tabled at the Board meeting and discussed without papers being distributed. The business/projects updates with information on financial, operating and corporate issues, the explanations on the financial information, and the rationale for the key decisions taken by the Management may also be made in the form of presentations by the Management in attendance at the meetings. The Directors are entitled to request additional information as needed to make informed decisions. The Management is invited to attend Board meetings to provide additional insights into matters being discussed, and to respond to any queries that the Directors may have.

Board's independent access to Management and Company Secretary

Management is available to provide explanatory information in the form of emails, telephone conferences or briefings to the Directors or formal presentations in attendance at Board meetings, or such information can also be provided by external consultants engaged on specific projects. The Board is provided with the contact details of the key management personnel and the Company Secretary to facilitate direct and independent access to such persons. The Board, either individually or as a group, is entitled to seek appropriate independent and professional advice, as and when necessary, at the expense of the Company, in furtherance of their duties.

Company Secretary

The Company Secretary and/or her representative are/is present at Board and Board Committee meetings to record the proceedings, to ensure that all Board procedures are followed as well as to ensure that good information flows within the Board and its Board Committees and between the Management and the Non-Executive Directors. The appointment and removal of the Company Secretary is a matter for consideration by the Board as a whole.

Together with the Management, the Company Secretary ensures that the Company complies with the requirements of the Catalist Rules, the Companies Act as well as other rules and regulations that are applicable to the Company and the Group.

BOARD COMPOSITION AND GUIDANCE

Principle 2 – The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

As at the date of this Report, the Board comprises the following members:

- Mr Herry (Executive Chairman and CEO)
- Mr Zhang (Non-Independent Non-Executive Deputy Chairman)
- Dato' Alvin (Executive Director and CCO)
- Mr Harry Ng (Lead Independent Director)
- Mr Kesavan Nair (Independent Director)
- Mr Chew (Independent Director)

Report on

Corporate Governance

The Board comprises two (2) Executive Directors and four (4) Non-Executive Directors, of which three (3) Directors are Independent Directors. There is therefore a good balance between the Executive and Non-Executive Directors as well as a strong and independent element on the Board as half of the Board are Independent Directors.

The Company complies with Provision 2.3 of the 2018 Code which requires that non-executive directors to make up a majority of the Board and Rule 406(3)(c) of the Catalist Rules which requires independent directors to make up at least one-third of the Board.

As the Chairman is not an Independent Director, Provision 2.2 requires majority of the Board to be made up of independent directors. Notwithstanding the Independent Directors make up only half and not a majority of the Board as set out in Provision 2.2 of the 2018 Code, the Board and the NC are satisfied that the current Board has substantial independent elements to ensure that objective judgment is exercised on corporate affairs, in view of the following:

- Each of the Board Committees comprises a majority of and chaired by an Independent Director.
- There is no individual or small group of individuals that dominate the Board's decision-making process and matters requiring the Board's approval are discussed and deliberated with participation from each member of the Board.
- Whenever a potential conflict of interest arises, the Director concerned will not participate in discussion and refrains from exercising any influence over other members of the Board. In addition, the Directors would abstain from voting on matters which may involve a conflict of interest.
- The Board has a Lead Independent Director to lead the independent directors to provide non-executive perspective and contribute a balance of viewpoints on the Board. The Lead Independent Director will also be available to shareholders where they have concerns and for which contact through normal channels of the Executive Chairman, the Executive Directors, or the Chief Financial Officer has failed to resolve or is inappropriate.
- The Directors of the Company come from diverse backgrounds and possess core competencies, qualifications
 and skills, all of whom as a group, providing the Board with a good mix of the necessary experience and expertise
 to direct and lead the Group.

In view of the above, the Board is of the view that its level of independence and the current size consisting of six (6) directors is appropriate and is in the best interest of the Company, taking into account the nature and scope of the operations and current financial positions of the Group. Accordingly, the Board believes that the existing practices adopted by the Company are consistent with the intent of Principle 2 of the Code.

As the two (2) Independent Directors, Mr Harry Ng and Mr Kesavan Nair, have served on the Board beyond nine years from the date of their first appointments, they will be retiring at the upcoming FY2023 AGM. The Company is in the process of identifying independent director candidates and will endeavour to fill the vacancies of the respective Board Committees within 2 months, and in any case, no later than 3 months. The Company will make relevant announcements on the composition of the Board and Board Committees of the Company, including the appointment of a new Lead Independent director in due course.

Board Independence and Independent Directors

As set out under the 2018 Code, an independent director is one who is independent in conduct, character and judgement, and has no relationship with the company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement in the best interests of the company. The independence of each Director is determined upon appointment and reviewed annually by the NC bearing in mind salient factors set out in the Catalist Rules, the 2018 Code as well as other relevant circumstances and facts. The NC is also committed to reassess the independence of each Independent Director as and when warranted.

All Independent Directors are required to confirm their independence by completing a Confirmation of Independence Form which is drawn up in accordance with the 2018 Code and the Catalist Rules and submitted to the NC for its assessment of the independence of each Director.

Corporate Governance

Based on the confirmation of independence submitted by the Independent Directors, the NC noted that:

- (a) The Independent Directors: (i) are not employed by the Company or any of its related corporations in the current or any of the past three (3) financial years; and (ii) do not have an immediate family member who is employed or has been employed by the Company or any of its related corporations in the current or any of the past three (3) financial years, and whose remuneration is determined by the RC.
- (b) None of the Independent Directors and their immediate family member had in the current or immediate past financial year (i) provided or received material services or significant payments to and/or from the Group when aggregated over any financial year in excess of \$\$50,000 for services other than compensation for board service; or (ii) was a substantial shareholder, partner, executive officer or a director of any organisation which provided or received material services or significant payments to and/or from the Group when aggregated over any financial year in excess of \$\$200,000 for services rendered.
- (c) None of the Independent Directors is directly associated with a substantial shareholder of the Company.

Pursuant to Catalist Rule 406(3)(d)(iv), a director will not be independent if he has been a director of the Company for an aggregate period of more than nine (9) years (whether before or after listing). Save for Mr Harry Ng (who was appointed to the Board on 26 July 2011), and Mr Kesavan Nair (who was appointed to the Board on 29 September 2011), none of the Independent Directors has served on the Board beyond nine (9) years from the date of first appointment. Pursuant to Transitional Practice Note 3 Transitional Arrangements Regarding the Tenure Limit for Independent Directors, Mr Harry Ng and Mr Kesavan Nair are considered to be independent until the conclusion of the forthcoming AGM of the Company to be held on 30 April 2024. Accordingly, Mr Harry Ng and Mr Kesavan Nair will step down as Directors at the conclusion of the 2024 AGM.

Based on the declarations and confirmation of independence received from Mr Harry Ng, Mr Kesavan Nair and Mr Chew, the NC and Board have reviewed and are of the view that there are no relationships or circumstances would affect the independence of each Independent Directors.

Each member of the NC and of the Board recused themselves from deliberations in respect of the assessment of his/her independence.

Board Size and Composition

The Company has adopted a Board Diversity Policy which sets out the consideration criteria such as skills, business experience, industry discipline, gender, age, ethnicity and other qualities that the Board may consider relevant and applicable from time to time. The Company recognises the benefits of having an effective and diverse Board, and views diversity at the Board level as an essential element in supporting the attainment of its strategic objectives and sustainable development. The NC and the Board have taken the following steps to maintain or enhance its balance and diversity:

- 1. Annual review by NC to assess if the existing attributes and core competencies of the Directors are complementary to one another and will enhance the efficacy of the Board;
- 2. Annual evaluation by the Directors of the skill sets the other Directors possess, with a view to understand the range of expertise which the Board is lacking; and
- 3. Annual review of the size and composition of the Board and Board Committees taking into account, *inter alia*, the scope and nature of the Group's business and operations and the benefits of all aspects of diversity based on its Board Diversity Policy, including but not limited to gender, age, and professional experience in order to provide the board access to an appropriate range and balance of skills, experience and backgrounds.

Report on

Corporate Governance

The targets, timeline and progress towards achieving the diversity objectives are summarized as follows:

Diversity Targets, plans and timelines	Targets Achieved/Progress
Independence	
To ensure that Independent Directors make up a majority of the Board and maintain such level of independence by 2025	In progress - The current Board consists of three (3) Non-Independent Directors and three (3) non-executive directors.
Age	
The Board to comprise Directors in different age groups, such as (i) 50 and below; (ii) 51 - 60; (iii) 61 - 70; or (iv) 71 and above.	Achieved – As at the date of this report, the average age of the Board had reduced and the Board comprises of members of different age groups, as follows:
	 a) 50 and below: 2 Directors (33%) b) 51 - 60: 3 Directors (50%) c) 61- 70: 1 Director (17%)
Board Gender Diversity	
At least one female director to sit on the Board and appoint as a member of NC by 2025	In progress – Following the resignation of Ms Carmen Ng as Independent Director with effect from 27 February 2024, the Board does not have female representation as at date of this Report.
	The Board is of the view that gender is an important aspect of diversity and will remain committed to achieving this target when identifying new director candidates. Nonetheless, all Board appointments are made based on merit, in the context of the skills, experience, independence and knowledge which the Board requires to be effective.
Skills and Experience	
To ensure that the Directors as a group provide an appropriate balance of diversity of skills, experience and knowledge of the Company, with core competencies in accounting and finance, legal expertise, business and management experience, industry knowledge, strategic planning and customer-based experience and knowledge	Achieved - The NC is satisfied that the present Board and Board Committees comprise Directors who, as a group, provide an appropriate balance and mix of expertise, experience and competencies such as accounting or finance, business or management experience, legal and industry knowledge for the effective functioning of the Board and is appropriate for the current scope and nature of the operations of the Group. The Non-Executive Directors contribute accounting and finance knowledge, legal expertise and business management experience to the Group; and provide the Executive Directors and the Management with diverse and objective perspectives on issues considered by the Board.
	Nonetheless, with the retirement of Mr Harry Ng and Mr Kesavan Nair at the forthcoming AGM, the Company will endeavor to maintain this target when identifying new director candidates.
	The biographies of the Directors are set out under "Directors' Profile" section in this Annual Report.

The NC will continue to review the Company's Board Diversity Policy from time to time to ensure its continued effectiveness of relevance and will recommend appropriate revisions to the Board for consideration and approval. It will continue its identification and evaluation of suitable candidates to ensure there is diversity on the Board. The NC will also review the targets for diversity from time to time and may recommend changes or additional targets to achieve greater diversity. Any further progress made towards the implementation of such policy will be disclosed in future Corporate Governance Reports, as appropriate.

Corporate Governance

Non-Executive Directors

The Board and the Management are given opportunities to engage in open and constructive debate for the furtherance of achieving strategic objectives. The Independent Non-Executive Directors may challenge and help develop proposals on strategy, review the performance of and to extend guidance to the Management. Well equipped with their expertise, experience and knowledge, the Independent Non-Executive Directors have been actively participating in discussions and decision-making at the Board and the Board Committee levels, and had open discussions with the Management. Where necessary, the Independent Non-Executive Directors, led by the Lead Independent Director, meet and discuss the Group's affairs without the presence of the Management and the Executive Directors. The chairman of such meetings provides feedback to the Board and/or Chairman as appropriate.

CHAIRMAN AND CHIEF EXECUTIVE OFFICER

Principle 3 - There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

The 2018 Code advocates that there should be a clear division of responsibilities between the leadership of the Board and the executives responsible for managing the Group's business and no one individual should represent a considerable concentration of power.

The Company's Executive Chairman, Mr Herry, also assumes the role of a CEO. Notwithstanding that the Chairman and the CEO is the same person, the Board is of the view that it is the best interest of the Group to adopt a single leadership structure based on the present Group structure and business scope.

As Chairman, Mr Herry is responsible for: (i) leading the Board to ensure its effectiveness in all aspects of its role; (ii) establishing the agenda for the board meetings in consultation with the Company Secretary, and ensuring Board meetings are held when necessary, and adequate time is available for discussion of all agenda items, in particular strategic issues; (iii) ensuring that the Board receives complete, adequate and timely information; and (iv) facilitating the effective contribution of all Directors; and (v) take a lead role in promoting high standards of corporate governance, with the full support of the Directors, the Company Secretary and the Management. At the annual general meetings of the Company, the Chairman plays a pivotal role in fostering constructive dialogue between the shareholders, the Board and Management.

As the CEO, Mr Herry holds executive responsibility for the Group's business. He is assisted by Management in the management of day-to-day operations of the Group; ensures implementation of policies and strategy across the Group as set by the Board; manages the management team; and leads the development of the Group's future strategy including identifying and assessing risks and opportunities for the growth of its business and reviewing the performance of its existing business.

While the Company has not adopted Provision 3.1 of the 2018 Code which requires the Chairman and CEO to be separate persons, the Board is of the opinion that accountability and independence have not been compromised taking into consideration the following:

- (i) the present Group structure, size and business scope does not warrant a meaningful separation of the roles of the Chairman and the CEO;
- (ii) the Non-Executive Directors currently form a majority of the Board and exercise objective judgement on corporate matters impartially, thus ensuring a good balance of power and authority. Major decisions or matters disclosed under Principle 1 of this Annual Report are under the purview of the Board and subject to majority approval of the Board. Where conflicts or potential conflicts of interest exist, whether direct or indirect, in relation to any matter or transaction discussed, the Director is required to disclose and abstain from voting on the matter. There are sufficient safeguards and checks to ensure that the process of decision making by the Board is independent and based on collective decisions without any individual exercising any considerable concentration of power or influence, which is consistent with the intent of Principle 3 of the 2018 Code;

Report on

Corporate Governance

- (iii) there is a lead independent director appointed; and
- (iv) the Board Committees are made up of and chaired by Non-Executive Directors and a majority of the Board Committees members is independent.

Lead Independent Director

Mr Harry Ng is appointed as the Lead Independent Director as the Chairman is non-independent. He coordinates and leads the independent directors to provide a non-executive perspective and contribute to a balance of viewpoints on the Board. He is the principal liaison on board issues between the Independent Directors and the Chairman. His responsibilities include carrying out the functions of the Chairman in relation to any matter where it would be inappropriate for the Chairman to serve in such capacity, or if he is unable to do so. Mr Harry Ng is available to address shareholders where they have concerns for which contact through normal channels such as the Executive Chairman and CEO or the Chief Financial Officer is inappropriate or inadequate.

The Independent Directors of the Company discuss issues via meetings, telephone and electronic devices without the presence of the other Directors, where required. The Lead Independent Director will provide feedback to the Chairman and CEO if it is deemed necessary.

BOARD MEMBERSHIP

Principle 4 - The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

The Board has established a NC which comprises four (4) members, majority of whom, including the NC Chairman, are Independent Non-Executive Directors. As at the date of this Report, the members of the NC are as follows:

Kesavan Nair (Chairman)
 Independent Director

Harry Ng (Member)
 Lead Independent Director

Zhang Zhi (Member)
 Non-Independent Non-Executive Deputy Chairman

Chew Wai Meng (Member)
 Independent Director

The NC meets at least once a year. Meetings of the NC can also be in the form of telephone conferencing or other methods of simultaneous communication by electronic or telegraphic means without a member being in the physical presence of another member or members and participation in a meeting. The principal functions of the NC in accordance with its terms of reference include, but are not limited to, the following:

- a) reviewing the composition, structure and size of Board and Board Committees to ensure the Board and Board Committees provide an appropriate balance and diversity of skills, expertise, gender and knowledge of Company and provide core competencies; and make recommendations to the Board with regard to any adjustments that are deemed necessary;
- b) identifying, reviewing and recommending candidates to the Board for appointments to the Board (including alternate director, if applicable) and Board Committees (excluding the appointment of existing members of the Board to a Board committee) of the Company and entities within the Company and its subsidiaries;
- c) reviewing and recommending re-nomination of the Directors for re-election at each annual general meeting in accordance with the Constitution and having regard to the Director's contribution and performance (including alternate directors, if applicable);
- d) establishing a process for the selection, appointment and re-appointment of Directors;

Corporate Governance

- e) reviewing and approving any new employment of related persons and proposed terms of their employment;
- f) determining on an annual basis whether or not a Director is independent;
- g) reviewing and determining whether or not a Director is able to and has been adequately carrying out his/her duties and responsibilities as a Director;
- h) recommending to the Board on the development of a process for the evaluation of performance of the Board, its Board Committees and Directors; and propose objective criteria which address how the Board has enhanced long-term shareholder value;
- i) assessing the effectiveness of the Board as a whole and its Board Committees and to assess the contribution by the Chairman of the Board and each individual Director to the effectiveness of the Board;
- j) reviewing and recommending the training and professional development programmes for the Board;
- k) recommending to the Board the review of board succession plans for Directors, in particular, the Chairman and the CEO; and
- recommending the appointment of key management positions, reviewing succession plans for key positions within the Group and overseeing the development of key executives and talented executives within the Group.

Process for Nomination and Selection of New Directors

The NC reviews the need for appointment of additional director(s) from time to time and the composition of the Board, including the mix of expertise, skills and attributes of existing directors, so as to identify needed and/or desired competencies to supplement the Board's existing attributes. The process for the search, selection and appointment of new Directors is as follows:

- a) candidates are sourced though external search consultants or network of contacts and identified based on the needs of the relevant skills, experience, knowledge and expertise. Directors may also put forward names of potential candidates, together with their curriculum vitae, for consideration of the NC.
- b) the NC, after completing its assessment, meets with the short-listed candidates to assess their suitability taking into consideration the existing composition of the Board and strives to ensure that the Board has an appropriate balance of independent directors as well as qualification and experience of each candidate, his/her ability to increase the effectiveness of the Board and to add value to the Group's business in line with its strategic objectives and to ensure that the candidates are aware of the expectations and the level of commitment required of them.
- c) the NC makes recommendations to the Board for approval.

Re-appointment/Re-election of Retiring Directors

The NC recommends re-elections of Directors for approval by the Board, taking into account the retiring Directors' overall contributions and performance, independence status (for Independent Director) and an appropriate mix of core competencies and diversity for the Board to fulfil its roles and responsibilities. Article 98 of the Constitution states that at each AGM, at least one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third and excluding newly appointment Directors) are required to retire from office by rotation. Pursuant to Rule 720(4) of the Catalist Rules, all Directors are required to retire from office at least once in every three years and submit themselves for re-election by the shareholders at the AGM.

Report on

Corporate Governance

As part of the Board renewal process and to comply with Rule 406(3)(d)(iv) of the Catalist Rules,

- (i) Mr Kesavan Nair who is retiring by rotation at the forthcoming AGM to be held on 30 April 2024 pursuant to Article 98 of the Company's Constitution, will not be seeking re-election and will retire as a Director upon conclusion of the forthcoming AGM; and
- (ii) Mr Harry Ng will retire as Director of the Company and will be stepping down as Lead Independent Director of the Company with effect from 30 April 2024 after conclusion of the forthcoming AGM.

Further details of their cessation will be disclosed in the Company's SGXNet announcements. The Board extends its appreciation to Mr Kesavan Nair and Mr Harry Ng for their invaluable contribution to the Board.

Article 102 of the Constitution of the Company requires any newly appointed Director during the year to hold office only until the next AGM following his/her appointment and to be eligible for re-election but shall not be taken into account in determining the number of Directors who are retiring by rotation at each financial year. Hence, the newly appointed directors, being Dato' Alvin, Mr Herry, Mr Chew and Mr Zhang, will retire at the forthcoming AGM pursuant to Article 102 of the Company's Constitution. Each of the retiring Directors, being eligible, has given their consent to seek re-election as Directors of the Company.

The NC had recommended to the Board the re-election of Dato' Alvin, Mr Herry, Mr Chew and Mr Zhang. The NC had considered criteria such as diversity, composition, and each Director's competencies, commitment, contribution and performance (e.g. attendance, preparedness, participation and candour). The Board has endorsed the re-election as recommended by the NC and recommends the shareholders to approve their re-election as Directors. The details of the proposed resolutions on re-election of Directors are stipulated in the Notice of AGM.

Each member of the NC and of the Board recused themselves from deliberations in respect of the assessment of his reappointment/re-election.

Independence of the Directors

As described under Principle 2 of this report, the Company has put in place a process to ensure the continuous monitoring of the independence of the Directors. Each Independent Director is required to complete a checklist annually to confirm his independence. Further, an Independent Director shall immediately disclose to the NC any relationships or circumstances that could interfere, or be reasonably perceived to interfere, with the exercise of his independent business judgement in the best interests of the Company. The NC is of the view that all Independent Directors are independent. During FY2023, there is no relationship or circumstance set forth in Provision 2.1 of the 2018 Code which puts the independence of the Independent Directors in question, save as disclosed under Principle 2 above.

Alternate Director

The Board does not, as a matter of practice, appoint alternate director.

Review of Director's Time Commitment

The NC reviews and determines annually whether Directors, who have multiple board representations and other principal commitments, give sufficient time and attention to the affairs of the Company and adequately carry out his or her duties as a Director of the Company. The NC has considered and is of the view that it would not be appropriate to set a limit on the number of directorships that a Director may hold because Directors have different capabilities, and the nature of the organisations in which they hold appointments and the kind of board committees on which they serve are of different complexities. Further, the multiple board representations held presently by the Directors do not impede their respective performance in carrying out their duties to the Company. Each Director shall determine the demands of his competing directorships and obligations and assess the number of directorships he could hold and serve effectively.

All Directors are required to provide declarations of any changes in their other appointments and principal commitments, which are disseminated to all Board members. The NC, having taken into consideration (i) the attendance and contributions by the individual Directors during Board and Board Committee meetings; and (ii) results of the evaluation of the effectiveness of the Board and the Board Committees is of the opinion that the Directors have devoted sufficient time and attention to the affairs of the Company and is satisfied that the Directors have adequately discharged their duties in FY2023.

The Board recognises the contributions of its Directors who over time have developed deep insight into the Group's operations and industry and who are therefore able to provide valuable contributions to the Group. As such, the Board has not set a fixed term of office for any of its Directors.

The listed company directorships and principal commitments of each Director are set out below:

^{* &}quot;Principal Commitments" as defined in the Code include all commitments which involve significant time commitment such as full time occupation, consultancy work, committee work, non-listed company board representations and directorships and involvement in non-profit organisations. Where a director sits on the boards of non-active related corporations, those appointments should not normally be considered principal commitments.

BOARD PERFORMANCE

Principle 5 - The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

The NC will periodically review the Board's performance based on objective performance criteria proposed by the NC and approved by the Board. The performance criteria do not change from year to year and where circumstances deem it necessary to change the criteria, the onus is on the Board to justify this decision. The Board has implemented a process to be carried out by the NC for assessing the effectiveness of the Board as a whole and its Board Committees and for assessing the contribution of each individual Director to the effective functioning of the Board. Each member of the NC shall abstain from voting on any resolutions in respect of the assessment of his performance or re-nomination as Director.

Annually, a Board evaluation exercise is carried out by way of a board assessment checklist, which is circulated to the Board members for completion. The assessment covers areas such as Board Composition, Information to the Board, Board Procedures, Board Accountability, CEO/Top Management, Standards of Conduct, Risk Management and Internal Controls, Communication with Shareholders, Board Committee performance in relation to discharging their responsibilities set out in their respective terms of reference, and Director self-evaluation. Assessment parameters for each Director include their knowledge and abilities, attendance records at the meetings of the Board and Board Committees, and the intensity and quality of participation at meetings. The performance criteria do not change from year to year. Directors can also provide input on issues which do not fall under these categories, for instance, addressing specific areas where improvements can be made. Feedback and comments received from the Directors are reviewed by the NC, in consultation with the Chairman of the Board, to determine the actions required to improve the corporate governance of the Company and effectiveness of the Board as a whole.

Through the assessment, the performance of the Board, Board Committees and each Director was considered and how the Board as a whole adds value to the Company. The process identified areas where improvements can be made, allowing the Board and individual Director to direct more effort in those areas for achieving better performance of the Board and better effectiveness of individual Directors. The Board will act on the results of the performance assessment and the recommendation of the NC, and where appropriate, in consultation with the NC, new members may be appointed or resignation of Directors may be sought.

The NC, having reviewed the overall performance of the Board and Board Committees in terms of its role and responsibilities and the conduct of its affairs as a whole for the financial year reported on, is of the view that the performance of the Board and Board Committees as a whole has been satisfactory. The NC, in assessing the contribution of an individual Director, has considered each Director's level of participation in discussions and attendance at Board and Board Committee meetings, his or her qualifications, skills, experience, expertise, knowledge and the time and effort dedicated to the Group's business and affairs. The NC is satisfied that sufficient time and attention has been given to the Group's business and affairs by the Directors. The NC is also satisfied that the current size and composition of the Board and Board Committees provide it with adequate ability to meet the existing scope of needs and the nature of business and operations of the Group. From time to time, the NC will review the appropriateness of the Board size, taking into consideration changes in the nature of the Group's businesses, the scope of operations, as well as changing regulatory requirements.

Corporate Governance

Each member of the NC abstains from voting on any resolutions and making any recommendation and or participating in discussion on matters in which he/she is interested.

The Board has not engaged any external consultant to conduct an assessment of the performance of the Board, the Board Committees and each individual Director. Where relevant, the NC will consider such an engagement.

REMUNERATION MATTERS

PROCEDURES FOR DEVELOPING REMUNERATION POLICIES

Principle 6 - The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

The Board has established a RC which comprises four (4) members, majority of whom, including the RC Chairman are Independent Non-Executive Directors. The members of the RC as at the date of this Report are as follows:

(a) Kesavan Nair (Chairman) Independent Director

(b) Harry Ng (Member) Lead Independent Director

(c) Zhang Zhi (Member) Non-Independent Non-Executive Deputy Chairman

(d) Chew Wai Meng (Member) Independent Director

The RC meets at least once a year. Meetings of the RC can also be in the form of telephone conferencing or other methods of simultaneous communication by electronic or telegraphic means without a member being in the physical presence of another member or members and participation in a meeting. The principal functions of the RC include, but are not limited to, the following:

- a) review and recommend to the Board on the general remuneration framework of the Directors and KMPs of the Company and its subsidiaries;
- b) structure a significant and appropriate proportion of Executive Directors and KMPs' remuneration so as to link rewards to corporate and individual performance to be aligned with the interests of shareholders and promote the long-term success of the Company;
- c) review the on-going appropriateness, attractiveness and relevance of the executive remuneration policy and other benefit programs including the terms of renewal for those executive directors whose current employment contracts will expire or had expired;
- d) determine, review and approve the design of all option plans, stock plans and/or other equity-based plans that the Company proposes to implement;
- e) review the remuneration of employees who are substantial shareholders (if any) or related to the Directors, the CEO and the Company's substantial shareholders; and
- f) review and recommend to the Board the eligibility of the Executive Directors and KMPs under long-term incentive schemes and to evaluate the costs and benefits of such long-term incentive schemes.

The Company's compensation framework comprises fixed, variable pay and other benefits-in-kind. The Company subscribes to linking remuneration of the Executive Directors and KMPs to corporate and individual performance. The RC and the Board will review the reward systems of the Group on an annual basis to ensure that the remuneration packages and systems are put in place to motivate and reward employees and align their interests to maximise long-term shareholders' value.

Corporate Governance

The RC will review and recommend to the Board a framework of remuneration for the Directors and KMPs, and determine specific remuneration packages for each Director and KMP. The recommendations of the RC are submitted for endorsement by the entire Board. All aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses, termination terms, share-based incentives and awards and other benefits-in-kind shall be overseen by the RC. The RC will also review the remuneration received by KMPs. Except for the payment in lieu of notice as provided for under the service agreements entered into with respective Executive Director and KMP, no compensation or damages are payable by the Company to them in respect of their respective termination in accordance with the terms of the service agreement. There are no other termination, retirement and post-employment benefits granted to the Directors, the CEO or any KMPs. Currently, contractual provisions are not used that would allow the Company to reclaim incentive components of remuneration from the Executive Directors and KMPs. In exceptional circumstances of misstatement of financial statements, or of misconduct resulting in financial loss to the Company and the Group, the Company believes that there are alternative legal avenues to these specific contractual provisions that will enable the Company to recover financial losses arising from such exceptional events from the Executive Directors and KMPs. The RC would review such contractual provisions as and when necessary. The RC aims to be fair and avoid rewarding poor performance.

Each member of the RC shall abstain from voting on any resolutions or making any recommendations and/or participating in the deliberations of the RC in respect of the remuneration package granted to him/her or someone related to him/her.

The RC may from time to time, where necessary or required, seek advice from external consultants in framing the remuneration policy and determining the level and mix of remuneration for the Directors and the Management, so that the Group remains competitive in this regard. No external remuneration consultant has been engaged for FY2023.

LEVEL AND MIX OF REMUNERATION

Principle 7 - The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company taking into account the strategic objectives of the company.

In setting the remuneration packages of the Executive Directors, the Company takes into consideration the existing remuneration and employment conditions and makes a comparative study of the packages of Executive Directors in comparable companies/industries as well as the Group's sustained performance. The RC ensures that the level and structure of remuneration of the Executive Directors and KMPs are aligned with the long-term interest and risk policies of the Company, as well as the ability of such remuneration structures to attract, retain and motivate Executive Directors and KMPs to provide good stewardship and management of the Company.

The Non-Executive Directors' remuneration takes into account the efforts and time spent, and responsibilities of the Directors. These Directors do not have service contacts and they are paid fixed base Directors' fee and an additional fixed fee for serving on any of the Board Committees. The RC recommends the payment of such fees in accordance with the contributions and responsibilities of the Non-Executive Directors, which will then be endorsed by the Board and subject to approval by the shareholders of the Company at the AGM. Such fees are payable quarterly in arrears. The Company recognises the need to pay competitive fees to attract, motivate and retain Directors without being excessive to the extent that their independence might be compromised.

Executive Directors do not receive Director's fees but are remunerated as member of the management team. The remuneration packages of the Executive Directors and KMPs comprise a basic salary component and a variable component which is the annual bonus based on the performance of the Group as a whole and their individual performance. Following the resignation of Dato' Low effective 27 February 2024, Mr Herry was appointed as Executive Chairman and CEO. The service agreement with Mr Herry is effective for a period of 3 years and is renewable in accordance with the specific terms as set out in the service agreement. Under the service agreement, the salary and performance bonus shall be subject to annual review by the RC to be approved by the Board. The service agreement can be terminated by either party giving the required written notice in accordance with the service agreement and both parties have the option to pay salary in lieu of any required period of notice.

Additionally, the Group had entered into a service agreement with Dato' Alvin, the Executive Director and CCO of the Company, who was appointed on 1 July 2023. The service agreement with Dato' Alvin is effective for a period of one (1) year and can be terminated by either party giving the required written notice in accordance with the service agreement, and both parties have the option to pay salary in lieu of any required period of notice. The RC had reviewed the service agreement with Dato' Alvin and recommended to the Board for endorsement.

Corporate Governance

The Company has also entered into separate employment contracts with KMP which provides for remuneration payable to them, annual leave entitlement and termination agreements.

Having reviewed and considered the variable components of the Executive Directors and the KMPs, which are moderate, the RC is of the view that there is no requirement to institute contractual provisions to allow the Company to reclaim incentive components of their remuneration paid in prior years in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss.

In addition, the Executive Directors owes a fiduciary duty to the Company. The Company should be able to avail itself to remedies against the Executive Directors in the event of such breach of fiduciary duties.

DISCLOSURE ON REMUNERATION

Principle 8 - The company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

The 2018 Code recommends that companies fully disclose the name and remuneration of each Director and the CEO. For confidentiality reasons, the Board has reviewed and decided to deviate from complying with the above recommendation and has provided below a breakdown, showing the level and mix of remuneration of each Director and KMPs in bands of S\$250,000.

Notwithstanding its deviation from Provision 8.1(a) of the 2018 Code, the Company has disclosed the total remuneration of Directors (included salaries, defined contributions and fees) for FY2023 under Note 31 of the Financial Statements. The Company has also disclosed its remuneration policy and criteria for setting remuneration, as well as the relationship between remuneration, performance and value creation (see Principle 7: Procedures for Developing Remuneration Policies). Each Director is required to abstain from deliberating and voting on his own remuneration. The Company therefore believes that, taken as a whole, the disclosures provided are meaningful and sufficiently transparent in giving an adequate understanding of the remuneration of its Directors and CEO, which is consistent with the intent of Principle 8 of the 2018 Code.

Corporate Governance

KMP's remuneration

The Company adopts a remuneration policy for staff that is responsive to market elements and performance of the Company and business segments respectively.

The 2018 Code recommends the Company to disclose the remuneration of at least the top five (5) KMPs, who are not directors or CEO of the Company. For FY2023, the Company had two (2) KMPs (who is not a director or CEO of the Company). A breakdown of the level and mix of remuneration of the Group's KMP's (who are not Directors or the CEO) for FY2023 are as follows:

	Payment in				
	Salary	Benefits	Lieu of notice	Bonus	Total
Name	(%)	(%)	(%)	(%)	(%)
Up to S\$250,000					
Edward Chen Boon Pok	89	11	_	-	100
Loo Sow Kuen	88	12	_	_	100

The annual aggregate remuneration paid to the top two (2) KMPs (who are not Directors or the CEO) of the Group for FY2023 is S\$203,684.

Other than disclosed above, there were no employees who are substantial shareholders of the Company or are immediate family members of a Director or the CEO or a substantial shareholder of the Company and whose remuneration exceeds S\$100,000/- during the financial period under review.

The Company does not have any share scheme or share plan. The RC and the Board will constantly evaluate and assess adoption of any new share-based compensation scheme or long-term incentive plan, with the aim of enhancing the link between rewards and corporate and individual performance.

During FY2023, the RC had reviewed the compensation and remuneration packages of all Directors and KMPs and believes that the remuneration of Directors and KMPs commensurate with their respective performance roles and responsibilities, giving due consideration to the financial and commercial health and business needs of the Company. The RC has recommended to the Board and the Board has approved the remuneration of the Directors and the KMPs.

The Board has also approved the RC's recommendation for the Directors' fees of S\$124,800 for FY2024. The fees are subject to the approval of shareholders at the AGM.

ACCOUNTABILITY AND AUDIT

RISK MANAGEMENT AND INTERNAL CONTROLS

Principle 9 – The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders

The Board acknowledges that it is responsible for the governance of risks and the overall internal control framework but recognises that no cost-effective internal control system will preclude all errors and irregularities, as a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against the occurrence of material errors or poor judgment in decision-making.

The Board, assisted by the Risk Committee, reviews annually and ensures that a sound system of risk management and internal controls is maintained by the Group to safeguard Shareholders' interests and the Group's assets and determines the nature and extent of the significant risks which the Group is willing to take in achieving its strategic objectives.

Corporate Governance

As at the date of this Report, the Risk Committee comprises the following members:

(a) Mr Harry Ng (Chairman) Lead Independent Director(b) Mr Herry Executive Chairman and CEO

(c) Mr Zhang Zhi Non-Independent Non Executive Deputy Chairman

(d) Mr Kesavan Nair Independent Director(e) Mr Chew Independent Director

The Risk Committee assumes the responsibility of the risk management function and oversees the overall adequacy and effectiveness of the Group's risk management systems and procedures. The Management reviews the Group's business and operational activities regularly to identify areas of significant risks as well as appropriate measures to control and mitigate these risks. The Management will also be responsible for ensuring that the risk management framework is effectively implemented within all areas of the respective business units. All significant matters will be highlighted to the Risk Committee and the Board.

On an annual basis, the Company engages internal auditors to formulate an internal audit plan and conduct an internal audit review of the Group's operations and approved by the AC.

The AC has appointed Crowe Governance Sdn Bhd as internal auditors ("IA") of the Company to perform a review of the internal controls of the Group in accordance with the Standards for the Professional Practice of Internal Auditing laid down by the International Professional Practices Framework issued by the Institute of Internal Auditors. Crowe Governance Sdn Bhd is a well-established firm with vast experience in areas, including internal audit. The engagement team assigned comprises of 3 members and the director-in-charge, Mr Amos Law, who is a Certified Internal Auditor, has more than 24 years of experience performing internal audits for listed companies in Singapore. The AC has assessed and is satisfied that the IA function of the Group is independent and the internal auditors have adequate resources to perform its function effectively and is staffed by qualified and experienced professionals with the relevant experience. Accordingly, the Company is in compliance with Rule 1204(10C) of the Catalist Rules.

The AC will review annually, the adequacy and effectiveness of the IA function. For FY2023, the internal audit reviewed (i) the sustainability reporting process; and (ii) Sales, Billing, Collection, Credit Control and Front Office Operations under Back to Life Sdn. Bhd. Subsequent to the review, the IA will report its findings to the AC and will propose recommendations to enhance the Group's internal controls and to resolve any instances of inadequate internal control processes. The Management is responsible for the implementation of the various recommendations and will report the progress of implementation to the AC.

The AC has reviewed the scope and findings of the internal audit performed by the IA during FY2023 and the Management's responses thereto, and noted that there were no material internal control weaknesses that were identified by the internal auditors in their course of audit for FY2023. The Management has addressed all internal audit findings and taken steps to implement the recommendations put forth in the IA report for FY2023.

The Management is committed to and has taken steps to remediate any material weaknesses identified during the course of internal audit and continue to review and evaluate its internal controls over financial reporting and operations.

The external auditors will also highlight to the AC any major control weaknesses on financial reporting identified in the course of the statutory audit, if any.

As part of the Group's continuous efforts to ensure that its risk management systems and internal controls are adequate and effective, the Company is not only working towards strengthening the existing policies by conducting regular reviews to ensure that they remain relevant but is also implementing new ones where necessary to meet challenges brought on by a changing business environment.

Corporate Governance

The AC and the Board had received assurance from (i) the former CEO and the Chief Financial Officer that to the best of their knowledge, the Group's financial records as at 31 December 2023 have been properly maintained and the financial statements for FY2023 give a true and fair view of the Company's operations and finances; and (ii) the former CEO and KMP that the Company's risk management and internal control systems are adequate and effective in addressing the material risks in the Group in its current business environment including material financial, operational, compliance and information technology risks. In providing such assurance, the CEO and KMP had evaluated the effectiveness of the Company's internal controls and had discussed with the Company's external and internal auditors of their reporting points and noted that there are no significant deficiencies in the design or operation of internal controls or material weaknesses identified which are outstanding and which could adversely affect the Company.

Based on the abovementioned assurances, framework of risk management and internal controls established and maintained by the Group, work performed by the external and internal auditors, as well as regular reviews performed by the Management and various Board Committees, the Board, with the concurrence of the AC, is of the view that the Group's internal controls addressing financial, operational, compliance and information technology controls and risk management systems are adequate and effective as at 31 December 2023.

An overview of the key risks, the extent of the Group's exposure and the approach to managing these risks are set out on pages 106 to 113 of the Annual Report.

AUDIT COMMITTEE

Principle 10 - The Board has an Audit Committee ("AC") which discharges its duties objectively.

As at date of this Report, the AC comprises four (4) members, all of whom, including the AC Chairman, are Independent Non-Executive Directors. The members of the AC are as follows:

(a) Mr Harry Ng (Chairman) Lead Independent Director

(b) Mr Zhang (Member) Non-Independent Non-Executive Deputy Chairman

(c) Mr Kesavan Nair (Member) Independent Director(d) Mr Chew (Member) Independent Director

No former partner or director of the Company's current auditing firm or auditing corporation is a member of the AC. The Board considers Mr. Harry Ng who has extensive and practical accounting and financial management knowledge and experience, well qualified to chair the AC. The Board is of the view that the members of the AC have sufficient accounting and/or financial management expertise and experience to discharge the AC's functions given their experience as directors and/or senior management in accounting and financial fields.

The AC meets periodically to perform the following functions:

- a) review the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcement relating to the Company's financial performance;
- b) review the annual and quarterly financial statements and results announcements before submission to the Board for approval, focusing in particular, on changes in accounting policies and practices, major risk areas, key audit matters, significant adjustments arising from the audit, going concern basis of the Company, compliance with accounting standards as well as compliance with the Catalist Rules and other relevant statutory/regulatory requirements;
- c) review the key financial risk areas, with a view to provide independent oversights on the Group's financial reporting, the outcome of such review to be disclosed in the annual reports or if the findings are material, immediately announced via SGXNET;
- d) monitor the use of proceeds raised;
- e) review the assurance from the CEO and the CFO on the financial records and financial statements;

Corporate Governance

- f) review with the external auditors, the audit plans, their evaluation of the system of internal controls, their audit report, their management letter, Management's response and results of audits compiled by the external auditors;
- g) make recommendation to the Board on the proposals to the shareholders on the appointment, re-appointment and removal of the external auditors, and approving the remuneration and terms of engagement of the external auditors:
- h) review the internal controls and procedures and ensure coordination between the external auditors, internal auditors and Management, and review the assistance given by Management to the auditors, and discuss problems and concerns, if any, arising from the interim and final audits, and any matters which the auditors may wish to discuss (in the absence of the Management where necessary);
- i) review and discuss with the external auditors and internal auditors any suspected fraud or irregularity, or suspected infringement of any relevant laws, rules or regulations, which has or is likely to have a material impact on the Group's operating results or financial position, and the Management's response;
- j) review and report to the Board at least annually the adequacy and effectiveness of the Company's risk management systems and internal controls, including financial, operational, compliance and information technology controls (such review can be carried out internally or with the assistance of any competent third parties):
- k) review the adequacy, effectiveness, independence, scope and results of the internal audit function at least annually;
- review with the internal auditors the internal audit plans and their evaluation of the adequacy of the internal controls and accounting system before submission of the results of such review to the Board for approval prior to the incorporation of such results in annual report (where necessary);
- m) review transactions falling within the scope of Chapter 9 and Chapter 10 of the Catalist Rules;
- n) review potential conflict of interest (if any) and to set out a framework to resolve or mitigate any potential conflict of interests;
- o) review and establish procedures for receipt, retention and treatment of complaints received by the Group, inter alia, criminal offences involving the Group or its employees, questionable accounting, auditing, business, safety or other matters that impact negatively on the Group, and to ensure that arrangements are in place for independent investigations of such matter and for appropriate follow-up, pursuant to the Company's whistle-blowing policy;
- p) undertake such other reviews and projects as may be requested by the Board and report to the Board its findings from time to time on matters arising and requiring the attention of the AC; and
- q) review the Group's compliance with such functions and duties as may be required under the relevant statutes or the Catalist Rules, including such amendments made thereto from time to time.

In line with the terms of reference of the AC, the following activities were carried out by the AC during FY2023 in the discharge of its functions and duties including the deliberation and review of:

- (a) the unaudited quarterly and full year financial results of the Group, and announcements prior to submission to the Board for approval and release of the results via SGXNET;
- (b) Group budget and cash flow projections;
- (c) the internal and external audit plans in terms of their scope prior to their commencement;
- (d) the external auditors' report in relation to audit and accounting issues arising from the audit and meeting with the external auditors without presence of the executive board members and the Management;
- (e) cooperation given by the Management to the external and internal auditors;

Corporate Governance

- (f) the internal audit findings report including internal control processes and procedures;
- (g) assurance letter from the CEO and CFO on the proper maintenance of the financial records and the integrity of the financial statements of the Group;
- (h) the adequacy and effectiveness of the Company's internal controls, including financial, operational, compliance and information technology controls and reporting the findings to the Board;
- (i) the independence, adequacy and effectiveness of the Group's internal audit function;
- the audited financial statements of the Group and of the Company prior to submission to the Board for consideration and approval;
- (k) the external audit and internal audit fees for FY2023 and recommended to the Board for approval;
- (I) the quality of the external auditors across a number of evaluation criteria, including measures of relevance and quality of its work as well as its level of independence; and re-appointment of the external auditors and recommended to the Board for approval;
- (m) audit fees paid / payable to the external auditors of the group including non-audit fees and nature of non-audit services;
- (n) interested person transactions falling within scope of Chapter 9 of the Catalist Rules and any potential conflict of interests; and
- (o) the whistle-blowing policy of the Group and procedures by which employees of the Group and any other persons could report the possible improprieties to the AC Chairman.

Apart from the duties listed above, the AC shall commission and review the findings of internal investigations into matters where there is any suspected fraud or irregularity, or failure of internal controls or infringement of any Singapore law, rule or regulation which has or is likely to have a material impact on the Group's operating results and/or financial position. Each member of the AC will abstain from voting in respect of matters in which he/she is interested.

The AC has full access to, and co-operation from, the Management and full discretion to invite any Director and/ or executive officer to attend its meetings, and has reasonable resources to enable it to discharge its functions properly.

Independent meeting with external and internal auditors

The AC also meets with the internal and external auditors without the presence of the Management at least once a year to obtain feedback on the competency and adequacy of the finance function, to review the assistance given by the Management to internal and external auditors and to ascertain if there are any material weaknesses or control deficiencies in the Group's financial and operational systems. The external auditors were also invited to be present at AC meetings held during FY2023 to, inter alia, answer or clarify any matter on cooperation from management, accounting and auditing of internal controls.

AC's commentary on key audit matters

The AC has discussed with the Management and the external auditors on significant issues as well as the reasonableness of the key assumptions including significant judgments and key estimates used that impact the financial statements. In line with the recommendations by Accounting and Corporate Regulatory Authority, the Monetary Authority of Singapore and SGX-ST, the AC can help to improve transparency and enhance the quality of corporate reporting by providing a commentary on Key Audit Matter ("KAM").

In addition, significant matter that was discussed with Management and the external auditors have been included as KAM in the audit report for FY2023 on page 57 of the Annual Report. In assessing the KAM, the AC took into consideration the approach and methodology applied, as well as the reasonableness of the estimates and key assumptions used. The AC concluded that Management's accounting treatment and estimates in the KAM were appropriate.

Corporate Governance

External Auditors and Audit Fees

During the year, the AC conducted a review of the scope and results of the audit by Mazars LLP, adequacy of the resources, experience and competence of the engagement partner and key team members in handling the audit and their cost effectiveness, as well as their independence and objectivity. The AC has also undertaken a review of the volume and nature of the non-audit services provided by Mazars LLP to the Group. The aggregate amount of audit and non-audit fees paid and/or payable to Mazars LLP and its overseas affiliates for FY2023 amounted to approximately S\$91,843 and S\$12,841 respectively. The non-audit fee is in relation to tax services rendered. The AC is satisfied neither their independence nor their objectivity was put at risk, and that they were able to meet the audit requirements and statutory obligations of the Company. Mazars LLP has also provided a confirmation of their independence to the AC. Accordingly, the AC is satisfied that Rules 712 and 715 of the Catalist Rules are complied with and has recommended to the Board, the nomination of the external auditor, Mazars LLP, for re-appointment at the forthcoming AGM.

The external auditors have unrestricted access to the AC.

The AC takes measures to keep abreast of the changes to accounting standards and issues which have impact on the Group's financial statements, with training conducted by professionals or external consultants. In FY2023, the AC was briefed and updated by the external auditors on the changes or amendments to the accounting standards and its corresponding impact on the financial statements, if any.

Whistle-blowing policy

The Company has in place a whistle-blowing policy ("Policy"). This Policy provides well-defined and accessible channels in the Group through which employees and stakeholders may raise concerns, any possible improprieties in matters of unethical behaviour, malpractices, illegal acts, or other matters with respect of failure to comply with regulatory requirements, in confidence and in good faith, without fear of reprisals, discrimination or adverse consequences, at the earliest opportunity, and in an appropriate way, to the Management and/or the AC Chairman, where applicable. For possible improprieties in matters related to financial reporting, internal controls or auditing, the matter may be reported to the AC Chairman. All information received will be treated confidentially and the identity of whistle-blowers will be protected. The details of the Policy (including contact details of channels of reporting) for raising concerns have been communicated to all our employees through staff notice boards and contact details are made available in the Policy.

The AC oversees the administration of the Policy and ensures that all concerns to be raised are independently investigated and appropriate follow-up actions are carried out. The Company provides assurance that employees will be protected from reprisal within the limits of the law or victimisation for whistle blowing in good faith. Anonymous reporting will also be attended to and anonymity honoured. The Policy is reviewed by the AC from time to time to ensure that it remains relevant.

The AC reports to the Board on such matters at the Board meetings. Should the AC receive reports relating to serious offences and/or criminal activities in the Group, the AC and the Board have access to the appropriate external advice where necessary.

There were no whistle-blowing reports reported for FY2023.

Internal Audit

The Company has outsourced the internal audit function to Crowe Governance Sdn. Bhd. who will report to the AC. The AC approves the hiring, removal, evaluation and compensation of the internal auditors and the internal auditors have unrestricted access to all the Company's documents, records, properties and personnel, and reports directly to the AC on audit matters.

Corporate Governance

SHAREHOLDER RIGHTS AND ENGAGEMENT

SHAREHOLDER RIGHTS AND CONDUCT OF GENERAL MEETINGS

Principle 11 - The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Shareholders are encouraged to participate during the general meetings. Shareholders are informed of Shareholders' meetings through notices contained in annual reports or circulars sent to all Shareholders. These notices are also posted onto the SGXNET, the Company's website and/or published in the local newspapers.

Any notice of general meeting consisting of only ordinary resolutions is issued at least 14 calendar days before the scheduled date of the meeting while a notice of general meeting containing special resolution is issued at least 21 calendar days before the scheduled date of the meeting. All shareholders (other than a relevant intermediary as defined under Section 181 of the Companies Act) can appoint up to two (2) proxies to attend, vote and speak at general meeting in his stead. The Company allows relevant intermediaries to appoint more than two (2) proxies so that shareholders who hold shares through such corporations can attend and participate in general meetings as proxies.

The Company tables separate resolutions at general meetings for each distinct issues for approval by shareholders unless the issues are interdependent and linked so as to form one significant proposal. Where the resolutions are "bundled", the company explains the reasons and material implications in the notice of meeting. Each item of special business included in the notice of the meeting is accompanied, where appropriate, by an explanation for the proposed resolution. A proxy form is sent with the notice of general meeting to the Shareholders. The Company will put all resolutions to vote by poll and make an announcement of the detailed results showing the number of votes cast for and against each resolution and the respective percentages for general meetings.

At the Company's general meetings, all Directors will be present and shareholders are given the opportunity to voice their views and ask Directors, in particular the chairman of the Board Committees or the Management questions regarding the Company's business activities or financial performance. In addition to the Board, the external auditors are also invited to attend the AGMs to assist the Directors in addressing shareholders' queries about the conduct of audit and the preparation and contents of the auditors' report. Shareholders will also be given the opportunity to submit questions prior to the forthcoming AGM. The Management and the Board will respond to all substantial and comments and queries relevant to the business to be transacted at the forthcoming AGM within a reasonable timeframe prior to the forthcoming AGM and in any case, no later than forty-eight (48) hours before the closing of date and time for the lodgment of proxy forms, through publication on the SGXNet and the Company's corporate website.

The forthcoming AGM will be convened and held in a wholly physical format at 1 Robinson Road, #21-00 AIA Tower, Singapore 048542 on Tuesday, 30 April 2024. There will be no option for Shareholders to participate virtually. Shareholders are entitled to attend the AGM and are given the opportunity to participate effectively in and vote at the AGM. The Company will conduct voting by poll at the forthcoming AGM in the presence of independent scrutineer. All shareholders will receive the notice of AGM and the notice will also be advertised in the newspaper.

As the authentication of Shareholder identity information and other related security issues still remain a concern, the Company has decided, for the time being not to implement voting in absentia by mail, email or fax. In this connection, the Company has not amended its Constitution to provide for absentia voting methods. Voting in absentia and by electronic mail may only be possible following careful study to ensure that integrity of the information and authentication of the identity of the shareholders through the web is not compromised.

The Company Secretary prepares minutes of general meetings that include substantial and relevant comments or queries from shareholders relating to the agenda of the meetings, and responses from the Board and the Management. The minutes are made available on the Company's website as soon as practicable. The Company will publish the minutes of the AGM and EGM held on 30 April 2024 within one month from the conclusion of the said meetings.

Corporate Governance

Dividend Policy

The Company does not have a fixed dividend policy. The form, frequency and amount of declaration and payment of future dividends on shares of the Company that the Directors may recommend or declare in respect of any particular financial year or period will be subject to the factors outlined below as well as other factors deemed relevant by the Directors:

- the level of cash and retained earnings;
- 2. actual and projected financial performance;
- 3. projected levels of capital expenditure and expansion plans;
- 4. working capital requirements and general financing needs and conditions; and
- 5. restrictions on payment of dividend imposed to the Company (if any).

The Board has not declared or recommended a dividend for FY2023 as the Group recorded a loss from its continuing operations in FY2023.

SHAREHOLDER ENGAGEMENT

Principle 12 - The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Principle 13 - The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

The Company's dedicated internal Investor Relations ("IR") team is tasked with and focuses on facilitating effective and fair communication between the Company and its Shareholders by regularly conveying pertinent information to Shareholders, attend to their queries as well as well as to keep Shareholders apprised of the Group's corporate developments and financial performance.

In presenting the annual financial statements and quarterly results announcements to the Shareholders of the Company, it is the aim of the Board to provide the Shareholders with a balanced and understandable assessment of the Group's financial performance, financial position and business prospects. The financial performance and annual reports are announced or issued within the mandatory period under the Catalist Rules and are available on the Company's website.

The Company does not practice selective disclosure, and price sensitive information is publicly released on an immediate basis pursuant to the Catalist Rules. Shareholders, investors and analysts are kept informed of the major developments of the Company on a timely basis through various means of communication as follows:

- (a) announcements and press releases (with contact details for investors to channel their comments or queries) via SGXNET;
- (b) annual reports and notice of AGM issued to all shareholders;
- (c) price sensitive information, significant transactions or matters are communicated to shareholders via SGXNET; and
- (d) the Company's website at www.medi-lifestyle.com.

The IR team, together with the Management, will conduct roadshows, participate in investor seminars and conferences, analyst meetings to keep the market, shareholders and investors apprised of relevant information, to enable them to have a better understanding of the business, latest developments and financial performance of the Group. The Company makes available its briefing materials to analysts and the media through press releases which are released on SGXNET and its corporate website, with contact details for investors to channel their comments and queries.

Corporate Governance

The Company solicits feedback from and addresses the concerns of Shareholders (including institutional and retail investors) by email via a dedicated investor relations email: jeysie.wong@medi-lifestyle.com or in writing to the Company's headquarter located in Singapore. The Company also attends to shareholders' queries made via telephone.

The Company undertakes a formal stakeholder engagement exercise, such as formal and informal meetings, surveys, site visits, and feedback channels to identify material stakeholder groups which include shareholders, regulators, employees, suppliers and customers as well as the local communities. The Group has identified the environmental, social and governance factors that are important to these stakeholders. These factors form the materiality matrix upon which targets, metrics, programs and progress are reviewed by and approved by the Board, before they are published annually in our sustainability report. Further details can be found in our sustainability report for the year ended 31 December 2023 which will be released by 30 April 2024.

For the forthcoming AGM, shareholders may submit their questions relating to the resolutions set out in the notice of the AGM in advance of the lodgement of the proxy forms for the AGM or during the AGM. All substantive and relevant questions related to the resolutions to be tabled for approval at the AGM received before the cut-off date will be addressed and published via SGXNET and on the Company's website before the deadline for submission of proxy forms. Any subsequent clarifications sought, or follow-up questions, or substantial and relevant questions received after the cut-off date will be consolidated and addressed at the AGM. The detailed information on the submission of questions has been specified in the notice of AGM.

INTERESTED PERSON TRANSACTION ("IPTs")

The AC is satisfied that the review procedures for IPTs and the reviews to be made periodically by the AC in relation thereto are adequate to ensure that the IPTs will be transacted on normal commercial terms and will not be prejudicial to the interests of the Company and its minority shareholders. All IPTs are subject to review by the AC to ensure compliance with the established procedures. In the event that a member of the AC is involved in any IPT, he will abstain from reviewing that particular transaction.

The Group does not have a general mandate from shareholders for IPTs pursuant to Rule 920(1)(a)(ii) of the Catalist Rules. There were no IPTs entered into by the Group which exceeds \$\$100,000 in value during the financial year under review.

DEALINGS IN SECURITIES

In line with Rule 1204(19) of the Catalist Rules on dealings in securities, the Company has in place a policy prohibiting share dealings by Directors, officers and employees of the Group during the period commencing two (2) weeks before the announcement of the Company's financial statements for each of the first three quarters of its financial year, and one (1) month before the full financial year, as the case may be, and ending on the date of the announcement of the relevant results. This has been made known to Directors, officers and employees of the Group. They are also reminded to observe the insider trading laws at all times even when dealing in securities within permitted trading period. Directors, officers and employees of the Group are also prohibited from dealing in the Company's shares on short-term considerations or when they are in possession of unpublished price-sensitive information.

Directors are required to notify the Company of their securities dealings within two (2) business days of such dealings and the Company shall disseminate the notifications received to the market via SGXNET within one (1) business day of receiving such notifications.

MATERIAL CONTRACTS

Save for the service agreement entered into between the Executive Directors and the Company, there are no other material contracts or loans entered into by or taken up by the Company or its subsidiaries involving the interest of any Director or controlling shareholder which are either still subsisting as at the end of FY2023 or if not then subsisting, entered into since the end of the previous financial year.

Corporate Governance

NON-SPONSORSHIP FEES

With reference to Rule 1204(21) of the Catalist Rules, there were no non-sponsor fees paid to the Company's Sponsor, SAC Capital Private Limited, during the financial year under review.

USE OF PROCEEDS

The Company entered into a subscription agreement on 15 March 2023 for the subscription of Convertible Bonds with an aggregate principal of up to S\$30 million ("Subscription Agreement"). The minimum scenario aggregate net proceeds of S\$1,752,000 (after deducting expenses of approximately S\$248,000 incurred by the Company in connection with the Convertible Bonds) as indicated in the circular dated 13 April 2023, have been fully utilised. Further details on the use of proceeds are available in the Company's announcement on 26 February 2024.

On 19 February 2024, the Company, 2 Aces Premier Equity Fund and T2S Pte Ltd had entered into a Deed of Termination to mutually consent that the Subscription Agreement shall be terminated in its entirety and all rights and obligations of the parties under the Subscription Agreement shall automatically cease and terminate.

The Directors are pleased to present their statement to the members together with the audited consolidated financial statements of Medi Lifestyle Limited (the "Company") and its subsidiaries (collectively, the "Group") and the statement of financial position and statement of changes in equity of the Company for the financial year ended 31 December 2023.

Independent **Auditors' Report**

To the members of Medi Lifestyle Limited

Report on the Audit of Financial Statements

Opinion

We have audited the financial statements of Medi Lifestyle Limited (the "Company") and its subsidiaries (the "Group") which comprise the statements of financial position of the Group and of the Company as at 31 December 2023, and the statements of profit or loss and other comprehensive income, changes in equity and cash flows of the Group, and the statement of changes in equity of the Company for the financial year then ended, and notes to the financial statements, including a summary of material accounting policy information, as set out on pages 60 to 115.

In our opinion, the accompanying financial statements of the Group and the statements of financial position and changes in equity of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the financial position of the Group and of the Company as at 31 December 2023 and of the financial performance, changes in equity and cash flows of the Group and statement of changes in equity of the Company for the financial year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards on Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material Uncertainty Related to Going

We draw attention to Note 1 in the accompanying financial statements, which indicates that as at 31 December 2023, the Group was in a capital deficiency position of RM9.2 million and its current liabilities exceeded its current assets by RM8.3 million. In addition, the Group incurred a net loss of RM7.2 million and net operating cash outflow of RM6.8 million for the financial year then ended. The Company had a capital deficiency position of RM5.9 million and net current liability position of RM4.6 million as of 31 December 2023. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's and the Company's ability to continue as a going concern.

The ability of the Group and the Company to continue as a going concern is dependent on the undertaking of its substantial shareholders to provide continuing financial support to enable the Group and the Company to meet its liabilities as and when they fall due. Our opinion is not modified in respect of this matter.

Overview

Audit Approach

We designed a risk-based audit approach in identifying and assessing the risks of material misstatement at both the financial statement and assertion levels.

Materiality

As in all our audits, we exercised our professional judgement in determining our materiality, which was also affected by our perception of the financial information needs of the users of the financial statements, being the magnitude of misstatement in the financial statements that makes it probable for a reasonably knowledgeable person to change or be influenced in his economic decision.

Scope of audit

For the audit of the current financial year's financial statements, we identified 8 significant components which required a full scope audit and audit of specific account balances and transactions of their financial information, either because of their size or/and their risk characteristics.

To the members of Medi Lifestyle Limited

Report on the Audit of Financial Statements (Continued)

Scope of audit (Continued)

Out of the 8 significant components, 5 were audited by other Mazars offices as component auditors under our instructions and the remaining 3 were audited by us. We determined the component materiality and our level of involvement in their audit necessary for us, in our professional judgement, to obtain sufficient appropriate audit evidence as a basis for our opinion on the Group's financial statements as a whole.

Area of focus

We focused our resources and effort on areas which were assessed to have higher risks of material misstatement, including areas which involve significant judgments and estimates to be made by directors.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In addition to the matter described in the *Material Uncertainty Related to Going Concern* section, we have determined the matter described below to be the key audit matter to be communicated in our report.

Matter	Audit response
Impairment of investments in subsidiaries	

(refer to Note 3.2 and Note 14 to the financial statements)

As at 31 December 2023, the carrying amount of the Company's investments in subsidiaries was RM Nil (31 December 2022: RM7.1 million).

For the cost of investments in subsidiaries, the management assess whether there are indicators of impairment. Where such indications exist, the cost of investments in subsidiaries is required to be tested for impairment.

Management has carried out an impairment assessment to determine whether the recoverable amounts of the investments in subsidiaries and loans deemed as investments in subsidiaries are less than the carrying amounts. Management determined the recoverable amounts based on value-in-use calculation on a cash-generating unit ("CGUs") basis or on a subsidiary basis as appropriate in accordance with SFRS(I) 1-36 Impairment of Assets so as to determine whether the investee company is impaired.

The recoverable amounts are determined by estimates of value-in-use of the respective CGUs, using various inputs and assumptions such as discount rate and growth rates. The recoverable amount based on value in use calculation is estimated to be negligible.

The determination of impairment of investment in subsidiaries involves significant judgement, which may have significant impact on the financial statements.

Our audit procedures included, and were not limited to, the following:

- We assessed for any indication of impairment with reference to SFRS(I) 1-36;
- We reviewed the key inputs and assumptions used by management in the preparation of the cash flows projection;
- We reviewed the reasonableness on the impairment made by the management in compliance with SFRS(I) 1-36, for subsidiaries which have shown indications of impairment; and
- We reviewed the completeness and appropriateness of corresponding disclosures made in the financial statements.

Report on the Audit of Financial Statements (Continued)

Other information

Management is responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and the independent auditors' report thereon, which we obtained prior to the date of this report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements of our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information that we obtained prior to the date of this report, we conclude that there is a misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so

The Directors' responsibilities include overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Report on the Audit of Financial Statements (Continued)

Auditors' Responsibilities for the Audit of the Financial Statements (Continued)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and
 whether the financial statements represent the underlying transactions and events in a manner that achieves fair
 presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the Group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current financial year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by the subsidiary entities incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditors' report is Mr Ooi Chee Keong.

1. General

Medi Lifestyle Limited (the "Company") (Registration No. 201117734D) is incorporated in Singapore with its principal place of business at Unit 100.3.015, 129 Offices, Block J, Jaya One, 72A Jalan Universiti, Section 13, 46200 Petaling Jaya, Selangor, Malaysia and registered office at 9 Raffles Place, #26-01 Republic Plaza, Singapore 048619.

The Company was admitted to the Catalist Board of Singapore Exchange Securities Trading Limited ("SGX-ST") on 25 October 2011.

The principal activity of the Company is that of investment holding. The principal activities of its subsidiaries are disclosed in Note 14 to the financial statements.

The consolidated financial statements of the Group and statement of financial position and statement of changes in equity of the Company for the financial year ended 31 December 2023 were authorised for issue by the Board of Directors on 2 April 2024.

Going Concern

As at 31 December 2023, the Group was in a capital deficiency position of RM9.2 million and its current liabilities exceeded its current assets by RM8.3 million. In addition, the Group incurred a net loss of RM7.2 million and net operating cash outflow of RM6.8 million for the financial year then ended. The Company had a capital deficiency position of RM5.9 million and net current liability position of RM4.6 million as of 31 December 2023. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's and the Company's ability to continue as a going concern.

The ability of the Group and the Company to continue as going concern is dependent on the undertaking of its substantial shareholders to provide continuing financial support to enable the Group and the Company to meet their liabilities as and when they fall due. Notwithstanding the existence of these factors, the financial statements of the Group and the Company have been prepared on a going concern basis.

The events or conditions set out above indicate that a material uncertainty exists that may cast significant doubt on the Group's and the Company's ability to continue as a going concern. If the going concern assumption is no longer appropriate, adjustments may have to be made to reflect the situation that assets may need to be realised other than in the normal course of business and at amounts which may differ significantly from the amounts at which they are currently recorded in the statements of financial position. In addition, the Group and the Company may have to reclassify non-current assets and liabilities as current assets and liabilities, respectively. Such adjustments have not been made to these financial statements.

2. Summary of material accounting policies

2.1 Basis of preparation

The financial statements of the Group, and the statement of financial position and statement of changes in equity of the Company have been drawn up in accordance with the provisions of the Singapore Companies Act 1967 and Singapore Financial Reporting Standards (International) ("SFRS(I)s") including related Interpretations of SFRS(I) ("SFRS(I) INTs") and are prepared on the historical cost basis, except as disclosed in the accounting policies below.

The individual financial statements of each Group entity are measured and presented in the currency of the primary economic environment in which the entity operates (its functional currency). The functional currency of the Company is Singapore Dollar ("S\$") while the consolidated financial statements of the Group and the statement of financial position and changes in equity of the Company are presented in Malaysian Ringgit ("RM").

In the current year, the Group has adopted all the new and revised SFRS(I)s and SFRS(I) INTs that are relevant to its operations and effective for annual periods beginning on or after 1 January 2023. The adoption of these new or revised SFRS(I)s and SFRS(I) INTs did not result in changes to the Group's and Company's accounting policies, and has no material effect on the current or prior year's financial statement and is not expected to have a material effect on future periods.

Effective date

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.1 Basis of preparation (Continued)

The Group adopted the amendments to SFRS(I) 1-1 and SFRS(I) Practice Statement 2: Disclosure of Accounting Policies in the current financial year. The amendments require the disclosure of "material" instead of "significant" accounting policy information and provides guidance to assist the entity in providing useful, entity-specific accounting policy information for the users' understanding of the financial statements. Accordingly, management had reviewed the accounting policies and updated the information disclosed in Note 2 Summary of material accounting policies in line with the amendments.

SFRS(I) and SFRS(I) INT issued but not yet effective:

At the date of authorisation of these statements, the following SFRS(I) and SFRS(I) INT that are relevant to the Group were issued but not yet effective:

0=D0 (I)	-	(annual periods beginning on or
SFRS (I)	Title	after)
SFRS(I) 1-1	Amendments to SFRS(I) 1-1: Classification of Liabilities as Current or Non-current	1 January 2024
SFRS(I) 16	Amendments to SFRS(I) 16: Lease Liability in a Sale and Leaseback	1 January 2024
Various	Amendments to SFRS(I) 1-1: Non-current Liabilities with Covenants	1 January 2024
SFRS(I) 1-7, SFRS(I) 7	Amendments to SFRS(I) 1-7 and SFRS(I) 7: Supplier Finance Arrangements	1 January 2024
SFRS(I) 1-21, SFRS(I) 1	Amendments to SFRS(I) 1-21: Lack of Exchangeability	1 January 2025
SFRS(I) 10, SFRS(I) 1-28	Amendments to SFRS(I) 10 and SFRS(I) 1-28: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	To be determined

Consequential amendments were also made to various standards as a result of these new/revised standards.

The Group does not intend to early adopt any of the above new/revised standards, interpretations and amendments to the existing standards. Management anticipates that the adoption of the aforementioned revised/new standards will not have a material impact on the financial statements of the Group and Company in the period of their initial adoption.

2.2 Basis of consolidation

The financial statements of the Group comprise the financial statements of the Company and its subsidiaries. Subsidiaries are entities (including structured entities) (i) over which the Group has power and the Group is (ii) able to use such power to (iii) affect its exposure, or rights, to variable returns from then through its involvement with them.

The Group reassesses whether it controls the subsidiaries if facts and circumstance indicate that there are changes to the one or more of the three elements of control.

When the Group has less than a majority of the voting rights of an investee, it still has power over the investee when the voting rights are sufficient, after considering all relevant facts and circumstances, to give it the practical ability to direct the relevant activities of the investee unilaterally. The Group considers, among others, the extent of its voting rights relative to the size and dispersion of holdings of the other vote holders, currently exercisable substantive potential voting rights held by all parties, rights arising from contractual arrangements and voting patterns at previous shareholders' meetings.

Notes To

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.2 Basis of consolidation (Continued)

Subsidiaries are consolidated from the date on which control is transferred to the Group up to the effective date on which control ceases, as appropriate.

Intra-group assets and liabilities, equity, income, expenses and cashflows relating to intragroup transactions are eliminated on consolidation.

The financial statements of the subsidiaries used in the preparation of the financial statements are prepared for the same reporting date as that of the Company. Where necessary, accounting policies of subsidiaries have been changed to ensure consistency with the policies adopted by the Group.

Changes in the Group's interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. Any differences between the amount by which the non-controlling interests are adjusted to reflect the changes in the relative interests in the subsidiary and the fair value of the consideration paid or received is recognised directly in equity and attributed to the owners of the Company.

When the Group loses control over a subsidiary, the profit or loss on disposal is calculated as the difference between (i) the aggregate of the fair value of the consideration received and the fair value of any retained interest and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. Amounts previously recognised in other comprehensive income in relation to the subsidiary are accounted for (i.e. reclassified to profit or loss or transferred directly to accumulated profits) in the same manner as would be required if the relevant assets or liabilities were disposed of. The fair value of any investments retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under SFRS(I) 9 Financial Instruments or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

Investments in subsidiaries are carried at cost less any impairment loss that has been recognised in profit or loss in the Company's separate financial statements.

2.3 Business combinations

The acquisition of subsidiaries is accounted for using the acquisition method when the acquired set of activities and assets constitute a business. When determining the acquired set of activities and assets constitute a business, the Group assesses whether the acquired set of activities and assets includes, at a minimum, an input and substantive process, which together contribute to the creation of outputs.

The Group has the option to apply a "concentration test" as a simplified assessment to determine whether an acquired set of activities and assets is not a business. The Group makes the election separately for each transaction or other event. The concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets.

The cost of the acquisition is measured at the aggregate of the fair values, at the date of exchange, of assets given, liabilities incurred or assumed, and equity instruments issued by the Group in exchange for control of the acquiree. For each business combination, the Group determines whether to measure the non-controlling interests in the acquiree at fair value or at proportionate share in the recognised amounts of the acquiree's identifiable net assets. Acquisition-related costs are recognised in profit or loss as incurred and included in administrative expenses.

The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition under SFRS(I) 3 Business Combinations ("SFRS(I) 3") are recognised at their fair values at the acquisition date, except for non-current assets (or disposal groups) that are classified as held-for-sale in accordance with SFRS(I) 5 Non-Current Assets Held for Sale and Discontinued Operations ("SFRS(I) 5"), which are recognised and measured at the lower of cost and fair value less costs to sell.

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.3 Business combinations (Continued)

The Group recognises any contingent consideration to be transferred for the acquiree at the fair value on the acquisition date. Contingent consideration classified as equity is not remeasured and its subsequent settlement shall be accounted for within equity. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of SFRS(I) 9 Financial Instruments ("SFRS(I) 9"), is measured at fair value with the changes in fair value recognised in the statement of profit or loss in accordance with SFRS(I) 9. Other contingent consideration that is not within the scope of SFRS(I) 9 is measured at fair value at each reporting date with changes in fair value recognised in profit or loss.

Where a business combination is achieved in stages, the Group's previously held interests in the acquired entity are remeasured to fair value at the acquisition date (i.e. the date the Group attains control) and the resulting gain or loss, if any, is recognised in profit or loss. Amounts arising from interests in the acquiree prior to the acquisition date that have previously been recognised in other comprehensive income are reclassified to profit or loss, where such treatment would be appropriate if that interest were disposed of.

The acquiree's identifiable assets, liabilities and contingent liabilities that meet the conditions for recognition under SFRS(I) 3 are recognised at their fair value at the acquisition date, except that:

- deferred tax assets or liabilities and liabilities or assets related to employee benefit arrangements are recognised and measured in accordance with SFRS(I) 1-12 Income Taxes and SFRS(I) 1-19 Employee Benefits respectively;
- liabilities or equity instruments related to the replacement by the Group of an acquiree's share-based payment awards are measured in accordance with SFRS(I) 2 Share-based Payment; and
- assets (or disposal groups) that are classified as held for sale in accordance with SFRS(I) 5 are measured in accordance with that Standard.

If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted during the measurement period (see below), or additional assets or liabilities are recognised, to reflect new information obtained about facts and circumstances that existed as of the acquisition date that, if known, would have affected the amounts recognised as of that date.

The measurement period is the period from the date of acquisition to the date the Group obtains complete information about facts and circumstances that existed as of the acquisition date, and is subject to a maximum of one year.

Goodwill arising on acquisition is recognised as an asset at the acquisition date and is initially measured at cost, being the excess of the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer previously held equity interest (if any) in the entity over net acquisition-date fair value amounts of the identifiable assets acquired and the liabilities assumed.

If, after reassessment, the Group's interest in the net fair value of the acquiree's identifiable net assets exceeds the sum of the consideration transferred, the amount of any non-controlling interest in the acquiree and the fair value of the acquirer's previously held equity interest in the acquiree (if any), the excess is recognised immediately in profit or loss as a bargain purchase gain.

For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash-generating unit is less than the carrying amount of the unit (including the goodwill), the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro-rata on the basis of the carrying amount of each asset in the unit. An impairment loss recognised for goodwill is not reversed in a subsequent period.

The attributable amount of goodwill is included in the determination of gain or loss on disposal of the subsidiary or jointly controlled entity.

2. Summary of material accounting policies (Continued)

2.4 Revenue recognition

The Group recognises revenue from the following sources:

Healthcare sector

Rendering of services - Confinement and postnatal care services

The Group provides pre- and post-natal care services and consultancy, including but not limited to dietary programs, confinement nannies, confinement baby daycare, traditional post-natal massage, ante natal and post-natal classes, baby care products and post-natal nursing centres. Such services are recognised as a performance obligation satisfied over time. Revenue is recognised when the services are rendered.

Rendering of services - Chiropractic and physiotherapy services

Revenue from rendering of services that are of short duration is recognised at a point in time when the Group satisfies a performance obligation by transferring control of a promised service to the customer. Revenue from rendering of packaged services is recognised overtime by reference to the usage of packaged sales of the transaction at the balance sheet date determined by services performed to date to the total packaged sales. Free services represent promised services under the main packaged services and a portion of the transaction price from the main service contracts are allocated to these free services. Revenue of free services is recognised at a point in time upon the completion of chiropractic and physiotherapy procedures rendered to the customers. Advances received relate to the Group's obligation to provide goods and services to customers for which the Group has received advances from customers.

Sales of goods

Revenue from sales of goods is recognised when the control of the goods have been transferred to the customer. Revenue is measured at the fair value of the consideration received or receivable, net of discounts and taxes applicable to the revenue.

Outsource services sector

Rendering of services - Human resource and payroll services

Revenue from other fee-based services, such as provision of payroll services, is recognised when the services are provided to the corporate customer.

Rendering of services - Permanent placement services

Revenue from professional recruitment, which is based on a percentage of the candidate's remuneration on package, is recognised upon successful placement of the candidate for a permanent position with the client.

2.5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs on general borrowings are capitalised by applying a capitalisation rate to construction or development expenditures that are financed by general borrowings. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2. Summary of material accounting policies (Continued)

2.6 Retirement benefit costs

The Group participates in the defined contribution national pension schemes as provided by the laws of the countries in which it has operations.

The Singapore incorporated companies in the Group contribute to state-managed retirement benefit schemes, such as the Singapore Central Provident Fund ("CPF"), are dealt with as payments to defined contribution plans where the Group's obligations under the plans are equivalent to those arising in a defined contribution retirement benefit plan. Payments to defined contribution retirement benefit plans are charged to profit or loss in the period which contributions relate.

The Malaysia incorporated companies in the Group contribute to the State Pension Scheme, the Employees Provident Fund ("EPF"), a defined contribution plan regulated and managed by the Government of Malaysia, which applies to the majority of the employees. The contributions to EPF or other defined contribution plans are charged to the profit or loss in the period to which contributions relate.

2.7 Employee leave entitlements

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for the estimated liability for annual leave as a result of services rendered by employees up to the end of the financial year.

2.8 Income tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

The tax currently payable is based on taxable profit for the year. Taxable profit differs from profit as reported profit or loss because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are not taxable or tax deductible. The Group's liability for current tax is calculated using tax rates (and tax laws) that have been enacted or substantively enacted in countries where the Company and subsidiaries operate by the end of the financial year.

Deferred tax is recognised on the differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit, and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences and deferred tax assets are recognised to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilised. Such assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit and does not give rise to equal taxable and deductible temporary differences.

Deferred tax liabilities are recognised on taxable temporary differences arising on investments in subsidiaries and associates, and interests in joint ventures, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

A deferred income tax asset is recognised to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each financial year and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.8 Income tax (Continued)

Deferred tax is calculated at the tax rates that are expected to apply in the period when the liability is settled or the asset realised based on the tax rates (and tax laws) that have been enacted or substantively enacted by the end of the financial year and based on the tax consequence that will follow from the manner in which the Group expects, at the end of the financial year, to recover or settle the carrying amounts of its assets and liabilities except for the investment properties where investment properties measured at fair value are presented to be recovered entirely through sale.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

Current and deferred tax are recognised as an expense or income in profit or loss, except when they relate to items credited or debited directly to equity, in which case the tax is also recognised directly in equity, or where they arise from the initial accounting for a business combination. In the case of a business combination, the tax effect is taken into account in calculating goodwill or determining the excess of the acquirer's interest in the net fair value of the acquiree's identifiable assets, liabilities and contingent liabilities over cost.

2.9 Dividends

Equity dividends are recognised as a liability when they become legally payable. Interim dividends are recorded in the financial year in which they are declared payable. Final dividends are recorded in the financial year in which dividends are approved by shareholders. A corresponding amount is recognised in equity.

2.10 Foreign currency transactions and translation

Foreign currency transactions are translated into the individual entities' respective functional currencies at the exchange rates prevailing on the date of the transaction. At the end of each financial year, monetary items denominated in foreign currencies are retranslated at the rates prevailing as of the end of the financial year. Non-monetary items carried at fair value that are denominated in foreign currencies are retranslated at the rates prevailing on the date when the fair value was determined. Non-monetary items that are measured in terms of historical cost in a foreign currency are not retranslated.

Exchange differences arising on the settlement of monetary items, and on retranslation of monetary items are included in profit or loss for the financial year. Exchange differences arising on the retranslation of non-monetary items carried at fair value are included in profit or loss for the financial year except for differences arising on the retranslation of non-monetary items in respect of which gains and losses are recognised directly in equity. For such non-monetary items, any exchange component of that gain or loss is also recognised directly in other comprehensive income.

Exchange differences relating to assets under construction for future productive use, are included in the cost of those assets where they are regarded as an adjustment to interest costs on foreign currency borrowings.

For the purpose of presenting consolidated financial statements, the assets and liabilities of the Group's foreign operations (including comparatives) are expressed in Malaysia Ringgit using exchange rates prevailing at the end of the financial year. Income and expense items (including comparatives) are translated at the average exchange rates for the period, unless exchange rates fluctuated significantly during that period, in which case the exchange rates at the dates of the transactions are used. Exchange differences arising, if any, are classified as equity and transferred to the Group's foreign currency translation reserve. Such translation differences are recognised in profit or loss in the period in which the foreign operation is disposed of.

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.10 Foreign currency transactions and translation (Continued)

On consolidation, exchange differences arising from the translation of the net investment in foreign entities (including monetary items that, in substance, form part of the net investment in foreign entities), and of borrowings and other currency instruments designated as hedges of such investments, are taken to the foreign currency translation reserve.

Goodwill and fair value adjustments arising on the acquisition of a foreign operation are treated as assets and liabilities of the foreign operation and translated at the closing rate.

2.11 Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and any accumulated impairment losses.

The cost of property, plant and equipment includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Dismantlement, removal or restoration costs are included as part of the cost of plant and equipment if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the property, plant and equipment.

Subsequent expenditure relating to property, plant and equipment is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repair and maintenance expenses are recognised in profit or loss when incurred.

Depreciation is charged so as to write off the cost of assets over their estimated useful lives, using the straight-line method, on the following bases:

Production equipment 5 years
Plant and machinery 5 years
Computer and office equipment 3 to 5 years
Motor vehicles 4 to 8 years
Furniture, fittings and office renovation 4 to 10 years

No depreciation is charged on construction-in-progress as they are not yet in use as at the end of the financial year.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The estimated useful lives, residual values and depreciation methods are reviewed, and adjusted as appropriate, at the end of each financial year.

The gain or loss, being the difference between the sales proceeds and the carrying amount of the asset, arising on disposal or retirement of an item of property, plant and equipment is recognised in profit or loss. Any amount in the revaluation reserve relating to that asset is transferred to accumulated profits directly.

Fully depreciated plant and equipment are retained in the financial statements until they are no longer in use.

2.12 Intangible assets

Acquired intangible assets

Acquired intangible assets are initially measured at cost. The cost of intangible assets acquired in a business combination is initially measured at their fair value at the acquisition date. Subsequent to initial recognition, the intangible assets are reported at cost less accumulated amortisation and accumulated impairment losses.

Acquired intangible assets have either finite or indefinite useful life.

Brand name and internet platform

Costs relating to e-Commerce platform to support the marketing and sales which are acquired are capitalised and amortised on a straight-line basis over their useful lives of 3 years when they are ready to use.

Licenses

Costs relating to licenses which are acquired are capitalised and amortised on a straight-line basis over their useful lives of 5 to 20 years.

2.13 Impairment of tangible and intangible assets excluding goodwill

The Group reviews the carrying amounts of its tangible and intangible assets as at each reporting date to assess for any indication of impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.

Irrespective of whether there is any indication of impairment, the Group also tests its intangible assets with indefinite useful lives and intangible assets not yet available for use for impairment annually by comparing their respective carrying amounts with their corresponding recoverable amounts.

The recoverable amount of an asset or CGU is the higher of its fair value less costs to sell and its value-inuse. In assessing value-in-use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

An impairment loss for the amount by which the asset's carrying amount exceeds the recoverable amount is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the impairment loss is treated as a revaluation decrease.

Where an impairment loss subsequently reverses, the carrying amount of the asset (CGU) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (CGU) in prior financial years. A reversal of an impairment loss is recognised immediately in profit or loss, unless the relevant asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation increase.

2.14 Financial instruments

The Group recognises a financial asset or a financial liability in its statement of financial position when, and only when, the Group becomes party to the contractual provisions of the instrument.

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.14 Financial instruments (Continued)

Financial assets

Initial recognition and measurement

With the exception of trade receivables that do not contain a significant financing component or for which the Group applies a practical expedient, all financial assets are initially measured at fair value, plus transaction costs, except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value. Such trade receivables that do not contain a significant financing component or for which the Group applies a practical expedient are measured at transaction price as defined in SFRS(I) 15 Revenue from Contracts with Customers ("SFRS(I) 15") in Note 2.4.

The classification of the financial assets at initial recognition as subsequently measured at amortised cost, fair value through other comprehensive income ("FVTOCI") and fair value through profit or loss ("FVTPL") depends on the Group's business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

The Group's business model refers to how the Group manages its financial assets in order to generate cash flows which determines whether cash flows will result from collecting contractual cash flows, selling financial assets or both.

The Group determines whether the asset's contractual cash flows are solely payments of principal and interest ("SPPI") on the principal amount outstanding to determine the classification of the financial assets.

Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Financial assets at amortised cost include trade and other receivables and cash and cash equivalents.

Subsequent to initial recognition, the financial asset at amortised cost are measured using the effective interest method and is subject to impairment. Gains or losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and allocating the interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts or payments (including all fees on points paid or received that form an integral part of the effective interest rate, transaction costs and other premiums or discounts) through the expected life of the financial instrument, or where appropriate, a shorter period, to the net carrying amount of the financial instrument. Income and expense are recognised on an effective interest basis for debt instruments other than those financial instruments at fair value through profit or loss.

Impairment of financial assets

The Group recognises a loss allowance for expected credit losses ("**ECL**") on financial assets measured at amortised cost and debt instruments measured at FVTOCI. At each reporting date, the Group assesses whether the credit risk on a financial asset has increased significantly since initial recognition by assessing the change in the risk of a default occurring over the expected life of the financial instrument. Where the financial asset is determined to have low credit risk at the reporting date, the Group assumes that the credit risk on financial assets has not increased significantly since initial recognition.

2.14 Financial instruments (Continued)

Financial assets (Continued)

Impairment of financial assets (Continued)

The Group uses reasonable and supportable forward-looking information that is available without undue cost or effort as well as past due information when determining whether credit risk has increased significantly since initial recognition.

Where the credit risk on that financial instrument has increased significantly since initial recognition, the Group measures the loss allowance for a financial instrument at an amount equal to the lifetime ECL. Where the credit risk on that financial instrument has not increased significantly since initial recognition, the Group measures the loss allowance for that financial instrument at an amount equal to 12-month ECL.

The Group applies the simplified approach to recognise the ECL for trade receivables and contract assets, which is to measure the loss allowance at an amount equal to lifetime ECL. As a practical expedient, the Group uses an allowance matrix derived based on historical credit loss experience adjusted for current conditions and forecasts of future economic conditions for measuring ECL.

While they are not financial assets, contract assets arising from the Group's contracts with customers under SFRS(I) 15 are assessed for impairment in accordance with SFRS(I) 9, similar to that of trade receivables.

The amount of ECL or reversal thereof that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised in profit or loss.

The Group directly reduces the gross carrying amount of a financial asset when the entity has no reasonable expectations of recovering a financial asset in its entirety or a portion thereof.

For details on the Group's accounting policy for its impairment of financial assets, refer to Note 32.

Derecognition of financial assets

The Group derecognises a financial asset only when the contractual rights to the cash flows from the financial asset expire, or it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. If the Group neither transfers nor retains substantially all the risks and rewards of ownership of the financial asset and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds receivables.

Financial liabilities and equity instruments

Classification as debt or equity

Financial liabilities and equity instruments issued by Group are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Equity instruments are recorded at the proceeds received, net of direct issue costs.

Ordinary share capital

Ordinary share capital is classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity.

Financial liabilities and equity instruments (Continued)

Equity instruments (Continued)

Treasury shares

When shares recognised as equity are reacquired, the amount of consideration paid is recognised directly in equity. Reacquired shares are classified as treasury shares and presented as a deduction from total equity. No gain or loss is recognised in profit or loss on the purchase, sale issue or cancellation of treasury shares.

When treasury shares are subsequently cancelled, the cost of treasury shares are deducted against the share capital account if the shares are purchased out of capital of the Company, or against the retained profits of the Company if the shares are purchased out of earnings of the Company.

When treasury shares are subsequently sold or reissued pursuant to an employee share option scheme, the cost of treasury shares is reversed from the treasury share account and the realised gain or loss on sale or reissue, net of any directly attributable incremental transaction costs and related income tax, is recognised in the capital reserve of the Company.

Financial liabilities

Initial recognition and measurement

All financial liabilities are initially measured at fair value, minus transaction costs, except for those financial liabilities classified as at fair value through profit or loss, which are initially measured at fair value.

Financial liabilities are classified as either financial liabilities at fair value through profit or loss or other financial liabilities.

Financial liabilities are classified as at fair value through profit or loss if the financial liability is either held for trading or it is designated as such upon initial recognition. Financial liabilities classified as at fair value through profit or loss comprise derivatives that are not designated or do not qualify for hedge accounting.

Other financial liabilities

Trade and other payables

Trade and other payables are initially measured at fair value, net of transaction costs, and are subsequently measured at amortised cost, where applicable, using the effective interest method, with interest expense recognised on an effective yield basis. A gain or loss is recognised in profit or loss when the liability is derecognised and through the amortisation process.

Borrowings

Interest-bearing bank loans and overdrafts are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest method. Any difference between the proceeds (net of transaction costs) and the settlement or redemption of borrowings is recognised over the term of the borrowings in accordance with the Group's accounting policy for borrowing costs (see Note 2.5). A gain or loss is recognised in profit or loss when the liability is derecognised and through the amortisation process.

Convertible loan

The Group classifies its convertible loans in the following measurement categories:

- Compound financial instruments; and
- Hybrid financial instruments.

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.14 Financial instruments (Continued)

Financial liabilities and equity instruments (Continued)

Compound financial instruments

Compound financial instruments comprise convertible loans denominated in Singapore dollar that can be converted to share capital once the preconditions are met, where the number of shares to be issued does not vary with changes in their fair value.

The liability component of a compound financial instrument is recognised initially at the fair value of a similar liability that does not have an equity conversion feature. The equity component is recognised initially at an amount which is the difference between the total proceeds of the compound financial instrument and the fair value of the liability component. Any directly attributable transaction costs are allocated to the liability and equity components in proportion to their initial carrying amounts.

Subsequent to the initial measurement, the liability component of a compound financial instrument is measured at amortised cost using the effective interest method until the liability is extinguished on conversion or redemption of the loans. The equity component of a compound financial instrument is not remeasured subsequently to initial recognition.

When the conversion occurs, the carrying amounts of both the liability and equity component of the compound financial instrument are transferred to share capital.

A subsequent modification of terms of the liability component of a compound financial instrument shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. The difference between the carrying amount of the liability component of a compound financial instrument extinguished and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in profit or loss.

Hybrid financial instrument

Non-redeemable convertible loans are hybrid instruments comprising a financial liability component and embedded derivative components. The instrument is designated as financial instrument that is carried at fair value through profit or loss in its entirety.

On issuance of the non-redeemable convertible loans, the instrument is recognised at its fair value which is based on the issuance proceeds.

Derecognition of financial liabilities

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or expire.

Offsetting of financial instruments

A financial asset and a financial liability shall be offset and the net amount presented in the statements of financial position when and only when, an entity:

- (a) currently has a legally enforceable right to set-off the recognised amounts; and
- (b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.15 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs comprise direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the inventories to their present location and condition. Cost is calculated using the first-in-first-out method. Net realisable value represents the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

2.16 Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with financial institutions, bank overdrafts, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of changes in value. For the purpose of the consolidated statement of cash flows, cash and cash equivalents exclude deposits pledged with the financial institutions as collateral and are presented net of bank overdrafts which are repayable on demand and which form an integral part of the Group's cash management.

2.17 Leases

At inception of a contract, the Group assessed whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Where a contract contains more than one lease component, the Group allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component. Where the contract contains non-lease components, the Group applied the practical expedient to not to separate non-lease components from lease components, and instead account for each lease component and any associated non-lease components as a single lease component.

The Group recognises a right-of-use asset and lease liability at the lease commencement date for all lease arrangement for which the Group is the lessee, except for leases which have lease term of 12 months or less and leases of low value assets for which the Group applied the recognition exemption allowed under SFRS(I) 16 Leases. For these leases, the Group recognises the lease payment on a straight-line basis over the term of the lease.

The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. When the lease transfers ownership of the underlying asset to the Group by the end of the lease term or the cost of the right-of-use asset reflects that the Group will exercise a purchase option, the right-of-use asset will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property, plant and equipment. The right-of-use asset is also reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability, where applicable.

Depreciation is charged over the lease term, using the straight-line method, on the following bases:

Office unit 3 years
Confinement centre 2.5 years
Integrated unit 3 years

The right-of-use assets are presented as a separate line in the statement of financial position.

Financial Statements

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.17 Leases (Continued)

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the lessee's incremental borrowing rate.

The Group generally uses the incremental borrowing rate as the discount rate. To determine the incremental borrowing rate, the Group obtains a reference rate and makes certain adjustments to reflect the terms of the lease and the asset leased.

The lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in-substance fixed payments less any lease incentive receivable,
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date,
- amounts expected to be payable under a residual value guarantee,
- the exercise price under a purchase option that the Group is reasonably certain to exercise, and
- payments of penalties for terminating the lease if the Group is reasonably certain to terminate early and lease payments for an optional renewal period if the Group is reasonably certain to exercise an extension option.

The lease liability is measured at amortised cost using the effective interest method. The Group remeasures the lease liability when there is a change in the lease term due to a change in assessment of whether it will exercise a termination or extension or purchase option or due to a change in future lease payment resulting from a change in an index or a rate used to determine those payment.

Where there is a remeasurement of the lease liability, a corresponding adjustment is made to the right-ofuse asset or in profit or loss where there is a further reduction in the measurement of the lease liability and the carrying amount of the right-of-use asset has been reduced to zero.

The Group as a lessor

Where a contract contains more than one lease and/or non-lease component, the Group allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component.

At the lease commencement date, the Group assess and classify each lease as either an operating lease or a finance lease. Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership of the leased assets to the lessee. All other leases are classified as operating leases.

Operating Leases

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease unless another systematic basis is more representative of the time pattern in which use benefit derived from the leased asset is diminished. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

2.18 Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

For the financial year ended 31 December 2023

2. Summary of material accounting policies (Continued)

2.18 Provisions (Continued)

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the financial year, taking into account the risks and uncertainties surrounding the obligation. Where a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows, which is discounted using a pre-tax discount rate.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognised as an asset if it is virtually certain that reimbursement will be received, and the amount of the receivable can be measured reliably.

Changes in the estimated timing or amount of the expenditure or discount rate are recognised in profit or loss as they arise.

2.19 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker. The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the group of executive directors and the chief executive officer who make strategic decisions. Additional disclosures on each of these segments are shown in Note 30, including the factors used to identify the reportable segments and the measurement basis of segment information.

2.20 Government grants

Government grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions will be complied with. Where the grant relates to an expense, the grant is recognised as income in profit or loss on a systematic basis over the periods in which the related costs, for which the grants are intended to compensate, is expensed. Where the grant relates to an asset, the grant is recognised as deferred capital grant on the statement of financial position and is amortised to profit or loss over the expected useful life of the relevant asset by equal annual instalment.

2.21 Contingencies

A contingent liability is:

- a possible obligation that arises from past events and whose existence will be confirmed only by the
 occurrence or non-occurrence of one or more uncertain future events not wholly within the control of
 the Group; or
- (ii) a present obligation that arises from past events but is not recognised because:
 - (a) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
 - (b) the amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingencies are not recognised on the statement of financial position of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair value can be reliably determined.

3. Critical accounting judgements and key sources of estimation uncertainty

The Group made judgements, estimates and assumptions about the carrying amounts of assets and liabilities that were not readily apparent from other sources in the application of the Group's accounting policies. Estimates and judgements are continually evaluated and are based on historical experience and other factors that are considered to be reasonable under the circumstances. Actual results may differ from the estimates.

3.1 Critical judgements made in applying the Group's accounting policies

Other than that disclosed in Note 1 and the key sources of estimation uncertainty as disclosed in Note 3.2 below, the Directors and the management are of the opinion that there are no critical judgement that management has made in the process of applying the Group's accounting policies which have the most significant effect on the amounts recognised in the financial statements.

3.2 Key sources of estimation uncertainty

The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Impairment review of property, plant and equipment and right-of-use assets

Property, plant and equipment and right-of-use assets are reviewed for impairment whenever there is any indication that the assets are impaired. If any such indication exists, the recoverable amount (i.e. higher of the fair value less costs of disposal and value-in-use) of the asset is estimated to determine the impairment loss.

The estimation of recoverable amount involves projection of future cash flows and use of an appropriate discount rate to discount the projected cash flows to net present value. These projections and discount rate are significant accounting estimates which can cause significant change in the carrying amount in the future should the estimates change. The Group has experienced the effects of challenging economic conditions in the Healthcare sector. Management has made significant estimates on the probability of the economic conditions improving in their projected cash flows.

The carrying amount of property, plant and equipment and right-of-use assets are disclosed in Note 11 and 12 to the financial statements, respectively.

Impairment of investments in subsidiaries

Management exercises their judgement in estimating recoverable amounts of its investments in subsidiaries of the Company.

The recoverable amounts of the investments are reviewed at the end of each reporting period to determine whether there is any indication that those investments have suffered an impairment loss. If any such indication exists, the recoverable amount is estimated in order to determine the extent of the impairment loss (if any). Recoverable amount is the higher of fair value less costs of disposal and value-in-use. In assessing value-in-use, management needs to estimate the future cash flows expected from the cash-generating units and an appropriate discount rate in order to calculate the present value of the future cash flows.

The carrying amount of the Company's investment in subsidiaries is disclosed in Note 14 to the financial statements.

Calculation of loss allowance for trade receivables

The Group uses a provision matrix to measure ECL for trade receivables. The ECL rates are based on the Group's historical loss experience of the customers, for the last three years prior to the reporting date for various customer groups that are assessed by geographical locations, product types and internal ratings, adjusted for forward looking factors specific to the debtors and the economic environment which could affect the ability of the debtors to settle the trade receivables.

In considering the impact of the economic environment on the ECL rates, the Group assesses, for example, the gross domestic production growth rates of the countries (eg. Singapore and Malaysia) and the growth rates of the major industries in which its customers operate. The Group adjusts the allowance matrix at each reporting date. Such estimation of the ECL rates may not be representative of the actual default in the future. The expected loss allowance on the Group's trade receivables as at 31 December 2023 is RM783,952 (2022: RM581,518) (Note 32). Details of assumptions and assumptions are disclosed in more detail in Note 32.

Fair value of convertible loans

Classification and measurement of convertible loans as compound financial instruments or hybrid financial instruments is based on the accounting policy as disclosed in Note 2.14. Significant judgement is required to assess whether the Group can settle the convertible loans by issuing a fixed number of shares in exchange for a fixed amount of cash ("fixed for fixed criteria") based on the terms and conditions of the respective convertible loan agreements.

Management has exercised judgement and assessed that part of the loans meet the fixed for fixed criteria and hence these are accounted for as compound financial instruments.

Compound financial instrument

Compound financial instruments are measured at fair value at the initial recognition. Fair value is calculated based on the present value of future principal and interest cash flows, discounted at the market rate of interest at the measurement date. In respect of the liability component of convertible loans, the market rate of interest is determined with reference to similar liabilities that do not have a conversion option. The carrying amount of the Group's convertible loans are disclosed in Note 25 to the financial statements.

Hybrid financial instrument

Non-redeemable convertible loans are hybrid instruments comprising a financial liability component and embedded derivative components. The instrument is designed as financial instrument that is carried at fair value through profit or loss in its entirety. The Group has engaged external valuer to estimate the fair value of the convertible loans which were determined by applying the Monte Carlo method. The key inputs to the Monte Carlo method are the market value of share and probability of conversion. Management considered the appropriateness of the valuation technique and assumptions applied by external valuer. Further details on the borrowings are disclosed in Note 25 to the financial statements.

Provision for income taxes

The Group has exposure to income taxes in several jurisdictions of which a portion of these taxes arose from certain transactions and computations for which ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities of expected tax issues based on their best estimates of the likely taxes due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax positions in the period in which such determination is made. The carrying amounts of the Group's and the Company's current tax payable as at 31 December 2023 was RM9,642 (2022: RM6,289) and RM Nil (2022: RM Nil) respectively.

Impairment of intangible asset

The Group determines whether there are any indication intangible assets may be impaired at least on an annual basis. Irrespective of whether there is any indication of impairment, the Group also performed impairment assessment annually for intangible assets not yet available for use by comparing their respective carrying amounts with their corresponding recoverable amounts. Valuation model based on discounted cash flow analysis of the cash-generating unit is used by management to determine the value in use for the purposes of the impairment assessment.

Forecasting and discounting future cash flows for the impairment assessment involves an element of judgement and requires management to make certain assumptions and apply estimates. The carrying values of the Group's intangible assets at the end of the reporting period are disclosed in Note 13.

Subject to the agreement by the tax authorities, at the end of the reporting period, the Group has unutilised tax losses of RM5,466,141 (2022: RM4,214,812), and unabsorbed capital allowance of RM295,433 (2022: RM321,633). No deferred tax asset has been recognised due to the unpredictability of future profit streams.

9. Dividends

No dividends were declared and paid to shareholders in 2023 and 2022.

10. Loss per share

Loss per share is calculated by dividing the Group's net loss attributable to the owners of the Company for the year by the weighted average number of ordinary shares in issue during the financial year as follows:

	G	Group
	2023	2022
Weighted average number of ordinary shares for purposes of basic loss per share (1)&(2)	86,793,267	57,289,262

The recoverable amount based on value in use calculation is estimated to be negligible

The recoverable amount of the CGU is determined from value-in-use calculations using 5-years cash flows projections prepared by management. The key assumptions for the value-in-use calculations are those regarding the discount rates, growth rates and expected changes to selling prices and direct costs during the period. Management estimates discount rates using pre-tax rates that reflect current market assessments of the time value of money and the risks specific to the CGU. The growth rates are based on industry growth forecasts. Changes in selling prices and direct costs are based on expectations of future changes in the market. Discount rates: The discount rate used of 16% is based on the weighted average cost of the Group's capital (the "WACC"), adjusted for the specific circumstances of the CGU and based on management's experience, and re-grossed back to arrive at the pre-tax rate.

ates used during the projection periods range from 11% to 208%. Perpetual growth rate of 1% are determined based on management's estimate of the and based on management's experience, and do not exceed the long-term average growth rate for the corresponding industry of the CGU. In financial year 2021, the Group has launched a genetic screening service for Malaysia and Singapore markets under the brand name, Qodify where the intangible asset represents the purchase of brand name and internet platform from Malaysia Genomics Resources Berhad, a listed company in Malaysia.

In view of prevailing business economics, the Group has suspended the marketing and sales efforts of Qodify and future cash flows from this business is indeterminate. In addition, the e-Commerce platform is a application for Qodify and as such is unlikely to have a resale value. In view of the above, management has assessed a full impairment of the Group's intangible asset is necessary as at 31 December 2023.

On 1 March 2023, Wong Soh Shyan extended a loan of S\$100,000 (approximately RM348,202) to the Company. The loan has a 10% interest per annum and shall be repayable within 3 years from the date of the drawdown.

On 31 March 2023, the Company entered into a short-term loan agreement with 3BX Pte Ltd for a principal amount of S\$300,000 (approximately RM1,044,606) with a period of four months and carrying an interest rate of 2.5% per month. The principal and interest amount has been fully repaid during the year.

On 7 November 2022, the Company had extended the maturity dates with 2 lenders of the respective convertible loan agreements dated on 29 January 2021 with an aggregate principal amount of \$\$200,000 (approximately RM669,588). The maturity dates were extended from 4 February 2022 to 31 October 2025. The key term of the extension agreement included: (1) conversion of the loan principal sum into new ordinary shares, will no longer be valid and applicable (2) the interest of 10% per annum shall continue to accrue on the loan principal sum until the extended maturity date and (3) all other terms and conditions of the agreement shall remain valid and in force. The extension of the loan maturity date from 4 February 2022 to 31 October 2025 coupled with the removal of the conversion option resulted in a substantial change in the discounted present value of the cash flows under the new terms compared to discounted present value of the remaining cash flows of the original liability. As a result, the original financial liability arising from this agreement was extinguished and a new financial liability was recognised during the financial year ended 31 December 2022. A modification gain of RM203,631 arising from change in estimated maturity was recognised in profit or loss in prior year accordingly.

Hybrid financial instruments (Continued)

On 14 October 2022, 18 October 2022 and 31 October 2022, the Company had entered into a nonredeemable convertible loan agreement with Tejvinder Singh, Great Pyramid Sdn Bhd, Ng Boon Leong, Ting Choong Sing, Fong Nyuk Moi and Saw Siew Lan (the "holder") for an aggregate principal amount of S\$647,000 (approximately RM2,128,505).

In accordance to the agreements, the option to convert into ordinary shares is at the Company's discretion. The maturity period is 2 years from the date of issue of the notes. The convertible loan bears an interest rate of 15.0% per annum, which is payable in every 6 months. The conversion price shall be either and whichever is higher i) weighted average price at the date of the agreement or ii) weighted average price at the conversion date less 10% discount. The instrument is designated as financial instrument that is carried at fair value through profit or loss in its entirety.

The Group has engaged external valuer to estimate the fair value of the convertible loans which were determined by applying the Monte Carlo method. The key inputs to the Monte Carlo method are the market value of share and probability of conversion. Management considered the appropriateness of the valuation technique and assumptions applied by external valuer. The fair value measurement is categorised in Level 2 of the fair value hierarchy. Accordingly, a fair value (loss)/gain of (RM171,162) (2022: RM347,145) has been recognised during the financial year ended 31 December 2023.

At the end of the financial year, the Company had given undertakings to certain subsidiaries to provide continued financial support to these subsidiaries to enable them to operate as going concerns and to meet their obligations as and when they fall due for at least 12 months from the financial year end.

30. **Segment information**

The Group determines and presents operating segments based on information that is provided internally to the Chief Executive Officer ("CEO"), who is the Group's chief operating decision maker. All operating segments' operating results are reviewed regularly by the Group's CEO to make decision about resources to be allocated to the segments and assess its performance, and for which discrete financial information is available.

For management purposes, the Group is organised into business units based on their products and services.

Segment revenue represents revenue generated from external customers and inter-segment sales. The accounting policies of these reportable segments are the same as the Group's accounting policies described in Note 2. Segment profit represents the profit earned by each segment after allocation of central finance costs and share of results of associates. This is the measure reported to the chief operating decision maker for the purpose of resource allocation and assessment of segment performance.

For the purpose of monitoring segment performance and allocating resources between segments, the chief operating decision maker monitors the tangible, intangible and financial assets attributable to each segment.

All assets are allocated to reportable segments other than tax assets.

For the financial year ended 31 December 2023

32. Financial instruments and financial risks

The Group's activities expose it to credit risk, market risk (including foreign currency risk and interest rate risk) and liquidity risk. The Group's overall risk management strategy seeks to minimise adverse effects from the volatility of financial markets on the Group's financial performance.

The Board of Directors is responsible for setting the objectives and underlying principles of financial risk management for the Group. The management then establishes the detailed policies such as authority levels, oversight responsibilities, risk identification and measurement, exposure limits and hedging strategies, in accordance with the objectives and underlying principles approved by the Board of Directors. The Audit Committee provides independent oversight to the effectiveness of the risk management process.

The Group does not hold or issue derivative financial instruments for speculative purposes.

There have been no changes to the Group's exposure to these financial risks or the manner in which it manages and measures the risk. Market risk exposure is measured using sensitivity analysis indicated below.

Credit risk

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in a loss to the Group. The Group has adopted a policy of only dealing with creditworthy counterparties and obtaining sufficient collateral where appropriate, as a means of mitigating the risk of financial loss from defaults.

The Group's credit risk arises mainly from bank balances, trade and other receivables and other debt instruments carried at amortized cost. Bank balances are mainly deposits with banks with high credit-ratings assigned by international credit rating agencies and the Group does not expect the impairment loss from bank balances to be material, if any.

To assess and manage its credit risk, the Group categorises the aforementioned financial assets and contract assets according to their risk of default. The Group defines default to have taken place when internal or/and external information indicates that the financial asset is unlikely to be received, which could include a breach of debt covenant, and/or where contractual payments are 90 days past due as per SFRS(I) 9's presumption.

In their assessment, the management considers, amongst other factors, the latest relevant credit ratings from reputable external rating agencies where available and deemed appropriate, historical credit experiences, latest available financial information and latest applicable credit reputation of the debtor.

The Group's internal credit risk grading categories are as follows:

Category	Description	Basis of recognizing ECL
1	Low credit risk Note 1	12-months ECL
2	Non-significant increase in credit risk since initial recognition and financial asset is ≤ 30 days past due	12-months ECL
3	Significant increase in credit risk since initial recognition Note 2 or financial asset is > 30 days past due	Lifetime ECL
4	Evidence indicates that financial asset is credit-impaired Note 3	Difference between financial asset's gross carrying amount and present value of estimated future cash flows discounted at the financial asset's original effective interest rate
5	Evidence indicates that the management has no reasonable expectations of recovering the write off amount Note 4	Written off

32. Financial instruments and financial risks (Continued)

Credit risk (Continued)

Note 1. Low credit risk

The financial asset is determined to have low credit risk if the financial asset has a low risk of default, the counterparty has a strong capacity to meet its contractual cash flow obligations in the near term and adverse changes in economic and business conditions in the longer term may, but will not necessarily, reduce the ability of the counterparty to fulfil its contractual cash flow obligations. Generally, this is the case when the Group assesses and determines that the debtor has been, is in and is highly likely to be, in the foreseeable future and during the (contractual) term of the financial asset, in a financial position that will allow the debtor to settle the financial asset as and when it falls due.

Note 2. Significant increase in credit risk

In assessing whether the credit risk of the financial asset has increased significantly since initial recognition, the Group compares the risk of default occurring on the financial asset as of reporting date with the risk of default occurring on the financial asset as of date of initial recognition, and considered reasonable and supportable information, that is available without undue cost or effort, that is indicative of significant increases in credit risk since initial recognition.

In assessing the significance of the change in the risk of default, the Group considers both past due (i.e. whether it is more than 30 days past due) and forward looking quantitative and qualitative information.

Forward looking information includes the assessment of the latest performance and financial position of the debtor, adjusted for the Group's future outlook of the industry in which the debtor operates based on independently obtained information (e.g. expert reports, analyst's reports etc.) and the most recent news or market talks about the debtor, as applicable. In its assessment, the Group will generally, for example, assess whether the deterioration of the financial performance and/or financial position, adverse change in the economic environment (country and industry in which the debtor operates), deterioration of credit risk of the debtor, etc. is in line with its expectation as of the date of initial recognition of the financial asset. Irrespective of the outcome of the above assessment, the Group presumes that the credit risk on a financial asset has increased significantly since initial recognition when contract payments are > 30 days past due, unless the Group has reasonable and supportable information that demonstrates otherwise.

Note 3. Credit impaired

In determining whether financial asset is credit-impaired, the Group assesses whether one or more events that have a detrimental impact on the estimated future cashflows of the financial asset have occurred. Evidence that a financial asset is credit impaired includes the following observable data:

- Significant financial difficulty of the debtor;
- Breach of contract, such as a default or being more than 90 days past due;
- It is becoming probable that the debtor will enter bankruptcy or other financial reorganization; or
- the disappearance of an active market for the financial asset because of financial difficulties.

Note 4. Write off

Generally, the Group writes off, partially or fully, the financial asset when it assesses that there is no realistic prospect of recovery of the amount as evidenced by, for example, the debtor's lack of assets or income sources that could generate sufficient cashflows to repay the amounts subjected to the write-off.

The Group performs ongoing credit evaluation of its counterparties' financial condition and generally does not require collateral.

Credit risk (Continued)

Note 4. Write off (Continued)

There are no write off of trade receivables as at 31 December 2023.

The Group and Company do not have any significant credit exposure to any single counterparty or any groups of counterparties having similar characteristics.

Trade receivables (Note 17)

The loss allowance for trade receivables are determined as follows:

		Past due 0 to 180	Past due more than	
	Current	days	180 days	Total
	RM	RM	RM	RM
31 December 2023				
Trade receivables (gross)	_	201,826	783,952	985,778
Loss allowance			(783,952)	(783,952)
31 December 2022				
Trade receivables (gross)	198,028	153,730	853,471	1,205,229
Loss allowance			(581,518)	(581,518)

The Group uses a practical expedient to recognise the ECL for trade receivables, which is to measure the loss allowance at an amount equal to lifetime ECL using an allowance matrix derived based on historical credit loss experience adjusted for current conditions and forecasts of future economic conditions.

The Group uses a provision matrix to measure ECL for trade receivables. The ECL rates are based on the Group's historical loss experience of the customers, for the last three years prior to the reporting date for various customer groups that are assessed by geographical locations, product types and internal ratings, adjusted for forward looking factors specific to the debtors and the economic environment which could affect the ability of the debtors to settle the trade receivables. In considering the impact of the economic environment on the ECL rates, the Group assesses, for example, the gross domestic production growth rates of the countries (Singapore and Malaysia) and the growth rates of the major industries in which its customers operate. The Group adjusts the allowance matrix at each reporting date. Such estimation of the ECL rates may not be representative of the actual default in the future. The expected loss allowance on the Group's trade receivables as at 31 December 2023 is RM783,952 (2022: RM581,518).

Other receivables (Note 18)

The Group assessed the impairment loss allowance of these amounts on a 12-month ECL basis consequent to their assessment and conclusion that these receivables are of low credit risk. The Group assessed that the other receivables and deposits paid are made to parties with good credit reputation and concluded that there has been no significant increase in the credit risk since the initial recognition of the financial asset. Accordingly, the Group measured the impairment loss allowance using 12-month ECL and determined that the ECL is insignificant.

In determining the ECL, management has taken into account the historical default experience and the financial position of the counterparties, adjusted for factors that are specific to the debtors and general economic conditions of the industry in which the debtors operate, in estimating the probability of default of each of these financial assets occurring within their respective loss assessment time horizon, as well as the loss upon default in each case.

Amount due from subsidiaries (non-trade) (Note 15)

The Company used the general approach and estimated the 12-months expected credit losses when there was no indication of significant deterioration in credit risk based on the financial performance of its subsidiaries. When a significant increase in credit risk has occurred, the Company estimated the lifetime ECLs for such financial assets. In determining whether a significant increase in credit risk has occurred, the Company also considered events such as significant adverse changes in financial conditions and changes in the operating results of the subsidiaries. As of 31 December 2023, the Company has made a loss allowance of RM659,126 (2022: RM Nil) for the amount due from subsidiaries.

The movement in the loss allowance during the financial year and the Group's exposure to credit risk in respect of the trade and other receivables are as follows:

Market risk

Market risk is the risk that changes in market prices, such as interest rates and foreign exchange rates will affect the Group's income or the value of its holdings of financial instruments. The Group's activities expose it primarily to the financial risks of changes in foreign currency exchange rates and interest rates. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimizing the return on risk.

Foreign currency risk

The Group transacts business in various foreign currencies, including, Malaysian Ringgit ("**RM**") and United States dollar ("**USD**"), other than the respective functional currencies of the Group. As at the reporting date, the Group and Company do not have significant foreign currency risk exposure except for the financial assets and liabilities denominated in Malaysian Ringgit and United States dollar.

The carrying amounts of the Group's and the Company's foreign currency denominated monetary assets and monetary liabilities other than the Group's and the Company's functional currencies as at the end of the financial year are as follows:

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's financial instruments will fluctuate because of changes in market interest rates.

Interests on the Group's borrowings (Note 25) are on fixed rates that prevail until the maturity of the instruments. No other financial instrument of the Group is subject to interest rate risks.

The Company's profit or loss after tax was not affected by changes in interest rates as the Company does not have any borrowings or inter-company loans that are at variable rates.

Liquidity risk

Liquidity risk refers to the risk in which the Group encounters difficulties in meeting its short-term obligations. Liquidity risk is managed by matching the payment and receipt cycle.

The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group and the Company monitor their liquidity risk and maintain a level of cash and cash equivalents deemed adequate by management to finance the Group's and the Company's operations and to mitigate the effects of fluctuations in cash flows. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

33. Fair value of liabilities

The fair values of applicable liabilities, are determined and categorised using a fair value hierarchy as follows:

- (a) Level 1 the fair values of liabilities with standard terms and conditions and which trade in active markets that the Group can access at the measurement date are determined with reference to quoted market prices (unadjusted).
- (b) Level 2 in the absence of quoted market prices, the fair values of the liabilities are determined using the other observable, either directly or indirectly, inputs such as quoted prices for similar liabilities in active markets or included within Level 1, quoted prices for identical or similar liabilities in non-active markets.
- (c) Level 3 in the absence of quoted market prices included within Level 1 and observable inputs included within Level 2, the fair values of the remaining liabilities are determined in accordance with generally accepted pricing models.

Fair value measurements that use inputs of different hierarchy levels are categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The table below analyses the Group's liability that are measured at fair value on a recurring basis in the statement of financial position after initial recognition.

Convertible loans

The convertible loans were valued using a Monte Carlo model based on estimates of conversion share prices to determine the probability of conversion of the convertible loans.

Expected conversion share prices at maturity date of the convertible loans were estimated using Monte Carlo simulations based on Geometric Brownian Motion. The value of the convertible loans was discounted at cost of equity for conversion scenario and weighted average cost of capital for non-conversion scenario to determine the fair value of the convertible loans as at 31 December 2023.

34. Capital management policies and objectives

The Group manages its capital to ensure that entities in the Group will be able to continue as a going concern while maximizing the return to stakeholders through optimization of debt and equity balance except where decisions are made to exit businesses or close companies.

The capital structure of the Group consists of debts, which includes trade and other payables, lease liabilities and contract liabilities. The equity attributable to owners of the Company, comprising issued capital and reserves as disclosed in Notes 20, 21, 22 and 23.

The Group's management reviews the capital structure on a regularly basis. As part of this review, management considers the cost of capital and the risks associated with each class of capital. Upon review, the Group will balance its overall capital structure through the payment of dividends to shareholders, return capital to shareholders or issue new shares and share buy-backs. The Group's overall strategy remains unchanged from 31 December 2022.

Management monitors capital based on a gearing ratio of less than one. The gearing ratio is calculated as net debt divided by total capital. Net debt is calculated as total debts (excluding bank overdrafts, income tax payable and deferred tax liabilities as shown in the statements of financial position), less cash and cash equivalents (net of bank overdrafts and fixed deposits pledged). Total capital is calculated as total equity as shown in the statements of financial position, plus net debt.

Special Business

Ī

To consider and, if thought fit, to pass the following as Ordinary Resolution, with or without modifications:

9. Authority to Allot and Issue Shares

THAT pursuant to Section 161 of the Companies Act 1967 (the "Companies Act") and Rule 806(2) of the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited (the "SGX-ST") (the "Catalist Rules"), the Directors of the Company be authorised and empowered to:

- (i) allot and issue shares in the capital of the Company (whether by way of rights, bonus or otherwise); and/or
 - (ii) make or grant offers, agreements or options (collectively, "Instruments") that may or would require shares to be issued, including but not limited to, the creation and issue of (as well as adjustments to) options, warrants, debentures, convertible securities or other instruments convertible into shares; and/or

at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may in their absolute discretion deem fit; and

Il (notwithstanding that the authority conferred by this Resolution may have ceased to be in force) issue shares in pursuance of any Instrument made or granted by the Directors while this Resolution was in force,

provided always that:

 the aggregate number of shares to be issued pursuant to this Resolution (including shares to be issued in pursuance of Instruments, made or granted pursuant to this Resolution), shall not exceed

Annual General Meeting

100% of the total number of issued shares in the capital of the Company (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (b) below), of which the aggregate number of shares to be issued other than on a pro rata basis to the existing shareholders of the Company (including shares to be issued in pursuance of Instruments made or granted pursuant to this Resolution) shall not exceed 50% of the total number of issued shares in the capital of the Company (excluding treasury shares and subsidiary holdings) (as calculated in accordance with sub-paragraph (b) below);

- (b) (subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares that may be issued under sub-paragraph (a) above, the percentage of the total issued shares shall be based on the total number of issued shares in the capital of the Company (excluding treasury shares and subsidiary holdings) at the time this Resolution is passed, after adjusting for:
 - (i) new shares arising from the conversion or exercise of any convertible securities;
 - (ii) new shares arising from exercising of share options or vesting of share awards, provided that the share options or share awards (as the case may be) were granted in compliance with Part VIII of Chapter 8 of the Catalist Rules; and
 - (iii) any subsequent bonus issue, consolidation or subdivision of shares;

provided further that adjustments in accordance with (i) and (ii) above are only to be made in respect of new shares arising from convertible securities, share options or share awards which were issued and outstanding or subsisting at the time of the passing of this Resolution:

- (c) in exercising the authority conferred by this Resolution, the Directors shall comply with the provisions of the Catalist Rules for the time being in force (unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Companies Act and the Constitution for the time being of the Company; and
- (d) the authority conferred by this Resolution shall, unless revoked or varied by the Company in a general meeting, continue to be in force until the conclusion of the next Annual General Meeting ("AGM") of the Company or the date by which the next AGM of the Company is required by law to be held, whichever is earlier. [See Explanatory Note 3] (Resolution 8)
- 10. To transact any other business that may be transacted at an AGM of the Company.

By Order of the Board

Kong Wei Fung Company Secretary Singapore 15 April 2024

Notice of

Annual General Meeting

Explanatory Notes:

(1) Mr Kesavan Nair will retire as a Director of the Company at the conclusion of the AGM. Upon his retirement, he will cease as Chairman of Nominating and Remuneration Committees and member of Audit and Risk Committees.

(2) Resolutions 2 to 5

Ordinary Resolution 2 - Dato' Alvin Nesakumar will, upon re-election as a Director, continue to serve as Executive Director and Chief Commercial Officer of the Company.

Ordinary Resolution 3 – Mr Herry Pudjianto will, upon re-election as a Director, continue to serve as Executive Chairman and Chief Executive Officer of the Company.

Ordinary Resolution 4 – Mr Chew Wai Meng will, upon re-election as a Director, continue to serve as Independent Director and member of the Audit, Nominating, Remuneration and Risk Committees. The Board considers him to be independent for the purpose of Rule 704(7) of the Catalist Rules.

Ordinary Resolution 5 – Mr Zhang Zhi will, upon re-election as a Director, continue to serve as Non-Independent Non-Executive Deputy Chairman and member of the Audit, Nominating, Remuneration and Risk Committees.

Detailed information of Dato' Alvin Nesakumar, Mr Herry Pudjianto, Mr Chew Wai Meng and Mr Zhang Zhi can be found under sections entitled "Directors' Profile" and "Report on Corporate Governance" of the Company's Annual Report 2023.

(3) Resolution 8

This is to empower the Directors of the Company, effective until conclusion of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to allot and issue shares, make or grant Instruments convertible into shares and to issue shares pursuant to such Instruments, without seeking any further approval from shareholders in a general meeting but within the limitation imposed by this Resolution, for such purposes as the Directors may consider would be in the best interests of the Company. The aggregate number of shares (including shares to be made in pursuance of Instruments made or granted pursuant to this Resolution) to be allotted and issued would not exceed 100% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of passing of this Resolution. For issue of shares (including shares to be made in pursuance of Instruments made or granted pursuant to this Resolution) other than on a pro rata basis to existing shareholders, the aggregate number of shares (including shares to be made in pursuance of Instruments made or granted pursuant to this Resolution) to be allotted and issued shall not exceed 50% of the total number of issued shares (excluding treasury shares and subsidiary holdings) in the capital of the Company at the time of the passing of this Resolution.

Notes:

- The members of the Company are invited to attend physically at the AGM. There will be no option for shareholders to participate virtually. Printed copies of the Notice, Proxy Form and the Annual Report will also be sent by post to members.
- 2. (a) A member who is not a Relevant Intermediary is entitled to appoint not more than two (2) proxies to attend, speak and vote at the AGM. Where such member's form of proxy appoints more than one (1) proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the form of proxy. If no proportion of shareholdings is specified, the proxy whose name appears first shall be deemed to carry 100% of the shareholdings of his/its appointor and the proxy whose name appears after shall be deemed to be appointed in the alternate.
 - (b) A member who is a Relevant Intermediary is entitled to appoint more than two (2) proxies to attend, speak and vote at the AGM, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two (2) proxies, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

"Relevant Intermediary" has the meaning ascribed to it in Section 181 of the Companies Act.

- 3. A proxy needs not be a member of the Company.
- 4. Central Provident Fund Investment Scheme members ("CPF investors") and/or Supplementary Retirement Scheme investors ("SRS investors") (a) may attend and vote at the AGM if they are appointed as proxies by their respective CPF Agent Banks or SRS Operators, and should contact their respective CPF Agent Banks or SRS Operators if they have queries regarding their appointment as proxies; or (b) may appoint Chairman of the AGM as proxy to vote on their behalf at the AGM, in which case, they should approach their respective CPF Agent Banks or SRS Operators to submit their voting instructions by 5.00 p.m. on 19 April 2024.
- 5. The instrument appointing a proxy or proxies must be deposited at the office of the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd. at 1 Harbourfront Avenue, Keppel Bay Tower #14-07, Singapore 098632, no later than 10.00 a.m. on 28 April 2024, being not less than forty-eight (48) hours before the time appointed for holding the AGM.
- 6. The instrument appointing a proxy or proxies must be executed under the hand of the appointor or of his attorney duly authorised

Annual General Meeting

in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its common seal (or by the signatures of authorised persons in the manner as set out under the Act as an alternative to sealing) or under the hand of an attorney or a duly authorised officer of the corporation. Where the instrument appointing a proxy or proxies is executed by an attorney on behalf of the appointor, the original power of attorney or other authority or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument.

- 7. Completion and return of this instrument appointing a proxy or proxies shall not preclude a member from attending, speaking and voting at the meeting if he/she so wishes. Any appointment of a proxy or proxies shall be deemed to be revoked if a member attends the meeting in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy, to the meeting.
- 8. A depositor shall not be regarded as a member of the Company entitled to attend, speak and vote at the AGM unless his/her/its name appears on the Depository Register maintained by The Central Depository (Pte) Limited not less than seventy-two (72) hours before the time appointed for holding the AGM.

When submitting your questions, members would also need to provide the following details:

- (a) full name (as per CDP, CPF or SRS);
- (b) address;
- (c) number of shares held; and
- (d) the manner in which the shareholder holds shares (e.g., via CDP, CPF or SRS).
- 10. Investors holding shares through Relevant Intermediaries (other than CPF/SRS investors) will not be able to submit questions relating to the business of the AGM via the above means. Instead, they should approach their relevant intermediaries as soon as possible in order for the relevant intermediaries to make the necessary arrangements for them to submit questions in advance of the AGM.
- 11. The Company will endeavour to address all substantial and relevant questions received from members in advance of the AGM via publication on the Company's website and on the SGX website, on or before 25 April 2024. Any subsequent clarifications sought, or follow-up questions, or substantial and relevant questions received after the cut-off date will be consolidated and addressed at the AGM. Where substantially similar questions are received, the Company will consolidate such questions and consequently not all questions may be individually addressed.
- 12. The Company will publish the minutes of the AGM, which will include responses from the Board and management of the Company on the substantial and relevant questions raised during the AGM or any questions received by the Company after the cut-off date, via an announcement on SGXNet and the Company's website within one (1) month after the date of the AGM.

Personal data privacy:

By (a) submitting an instrument appointing a proxy or proxies and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof; or (b) submitting any questions prior to, or at, the AGM, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxy(ies) and/or representative(s) appointed for the AGM (including any adjournment thereof), addressing substantial and relevant questions from members received prior to, or at, the AGM, the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"); (ii) warrants that where the member disclose the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) for the Purposes; and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

This notice of AGM ("Notice") has been reviewed by the Company's sponsor, SAC Capital Private Limited ("Sponsor"). This Notice has not been examined or approved by the Singapore Exchange Securities Trading Limited ("SGX-ST") and the SGX-ST assumes no responsibility for the contents of this Notice, including the correctness of any of the statements or opinions made, or reports contained in this Notice.

NOTES TO PROXY FORM:

- 1. Please insert the total number of Shares held by you. If you have shares entered against your name in the Depository Register (maintained by The Central Depository (Pte) Limited), you should insert that number of shares. If you have shares registered in your name in the Register of Members of the Company (maintained by or on behalf of the Company), you should insert that number of shares. If you have shares entered against your name in the Depository Register and shares registered in your name in the Register of Members, you should insert the aggregate number of shares. If no number is inserted, this form of proxy will be deemed to relate to all the shares held by you.
- 2. (a) A member who is not a Relevant Intermediary is entitled to appoint not more than two (2) proxies to attend, speak and vote at the meeting. Where such member appoints more than one (1) proxy, the proportion of the shareholding concerned to be represented by each proxy shall be specified in the instrument appointing a proxy or proxies. If no proportion of shareholdings is specified, the proxy whose name appears first shall be deemed to carry one hundred per cent (100%) of the shareholdings of its/his appointor and the proxy whose name appears after shall be deemed to be appointed in the alternate.
 - (b) A member who is a Relevant Intermediary is entitled to appoint more than two (2) proxies to attend, speak and vote at the meeting, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where more than two (2) proxies are appointed, the number and class of shares in relation to which each proxy has been appointed shall be specified in the instrument appointing a proxy or proxies.

"Relevant Intermediary" has the meaning ascribed to it in Section 181 of the Companies Act.

- 3. A proxy needs not be a member of the Company.
- 4. The instrument appointing a proxy or proxies, duly executed, must be deposited at the office of the Company's Share Registrar, Boardroom Corporate & Advisory Services Pte. Ltd., at 1 Harbourfront Avenue, Keppel Bay Tower #14-07, Singapore 098632 no later than 10.00 a.m. on 28 April 2024, being not less than forty-eight (48) hours before the time appointed for holding the AGM.
- 5. The instrument appointing a proxy or proxies must be executed under the hand of the appointor or of his attorney duly authorised in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its common seal (or by the signatures of authorised persons in the manner as set out under the Act as an alternative to sealing) or under the hand of an attorney or a duly authorised officer of the corporation. Where the instrument appointing a proxy or proxies is executed by an attorney on behalf of the appointor, the original power of attorney or other authority or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the instrument.
- 6. A corporation which is a member may authorise by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the AGM, in accordance with Section 179 of the Companies Act.
- 7. Completion and return of the instrument appointing a proxy or proxies shall not preclude a member from attending, speaking and voting at the AGM if he/she so wishes. Any appointment of a proxy or proxies shall be deemed to be revoked if the member attends the AGM in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy, to the AGM.
- 8. For CPF/SRS investors, this proxy form is not valid for their use and shall be ineffective for all intents and purposes if used or purported to be used by them. CPF/SRS investors (a) may attend and vote at the AGM if they are appointed as proxies by their respective CPF Agent Banks or SRS Operators, and should contact their respective CPF Agent Banks or SRS Operators if they have queries regarding their appointment as proxies; or (b) may appoint Chairman of the AGM as proxy to vote on their behalf at the AGM, in which case, they should approach their respective CPF Agent Banks or SRS Operators to submit their voting instructions by 5.00 p.m. on 19 April 2024.

General:

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies (including any related attachment). In addition, in the case of a member whose shares are entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have shares entered against his name in the Depository Register as at seventy-two (72) hours before the time appointed for holding the meeting, as certified by The Central Depository (Pte) Limited to the Company.

Personal data privacy:

By submitting an instrument appointing a proxy or proxies and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 15 April 2024.
